Eligible employees of the Tupelo Public School District are provided a wide range of benefits. A number of the programs such as Social Security, Workers' Compensation, state disability, and unemployment insurance cover all eligible employees in the manner prescribed by law. Benefits eligibility is dependent upon a variety of factors, including employee classification. Your principal, supervisor, or the Benefits Specialist in Human Resources can identify the programs for which you are eligible. Benefits Continuation (COBRA)

The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the Tupelo Public School District's health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; and a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at the Tupelo Public School District's group rates plus an administration fee. Blue Cross Blue Shield provides each eligible employee with a written notice describing rights granted under COBRA when an employee becomes eligible for coverage under the Tupelo Public School District's health insurance plan. The notice contains important information about the employee's rights and obligations.

CAFETERIA PLAN

Since the Tupelo Public School District participates in the Section 125 Flexible Benefit Plan, health insurance, dental insurance, and vision insurance premiums paid through payroll deduction are exempt from federal and state income taxes if you participate.

EDUCATIONAL AND SABBATICAL LEAVE

The Tupelo Public School District provides educational leaves of absence without pay to certain eligible employees who wish to take time off from work duties to pursue educational goals or for a job-related purpose. Employees in the following employment classification are eligible to request educational leave as described in this policy:

- Full-Time Employees

Eligible employees who have completed two full continuous years of service may request educational leave. The employee must submit a request explaining the reason for educational or sabbatical leave in writing. The request is not automatically approved. Requests must be reviewed and approved by the Board of Trustees. The request will be evaluated based on a number of factors, including anticipated workload requirements and staffing considerations during the proposed period of absence. If an employee needs additional time to complete educational requirements or other reasons related to the sabbatical leave, a written request must be given to the Board of Trustees for consideration of an extension.

Subject to the terms, conditions, and limitations of the applicable plans, the Tupelo Public School District will provide health insurance benefits until the end of the first full month of the approved educational leave. At that time, the employee will become responsible for the full costs of these benefits if he/she wishes coverage to continue. When the employee returns from educational leave, the district, according to the applicable plans, will again provide benefits. Benefits accruals, such as vacation and sick leave will be suspended during the leave and will resume upon return to active employment.

FAMILY MEDICAL LEAVE

See TPSD Policy: GBRIA

The Tupelo Public School District provides family and medical leaves of absence to eligible employees who qualify to take time off from work duties to fulfill family obligations relating directly to childbirth, adoption, or placement of a foster child; or to care for a child, spouse, or parent with a serious health condition; or because of the employee's own serious health conditions such as illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility; or continuing treatment by a health care provider; or due to qualifying for military exigency leave.

Eligible employees should make requests for family and medical leave to their supervisors at least thirty (30) days in advance of foreseeable events and as soon as possible for unforeseeable events.

Employees requesting family medical leave related to the serious health condition of a child, spouse, or parent may be required to submit a health care provider's statement verifying the need for a family leave to provide care, its beginning and expected ending dates, and the estimated time required.

Eligible employees may request up to a maximum twelve (12) weeks of family leave within any twelve (12) month rolling period. Any combination of family leave and medical leave may not exceed this maximum limit. Employees will be required to first use any accrued paid leave time before taking unpaid family medical leave. Married employee couples may be restricted to a combined total of twelve (12) weeks leave within any twelve (12) month period for childbirth, adoption, or placement of a foster child; or to care for a parent with a serious health condition.

Subject to the terms, conditions, and limitations of the applicable plans, the Tupelo Public School District will continue to provide health insurance benefits for the full period of the approved family medical leave. Benefit accruals, such as vacation, sick leave, or holiday benefits, will be suspended during the leave and will resume upon return to active employment.

In order to properly schedule an employee's return to work, the employee on family medical leave is requested to provide the district with at least two weeks advance notice of the date the employee intends to return to work. When a family medical leave ends, the employee will be reinstated to the same position, if it is available, or to an equivalent position for which the employee is qualified.

If an employee fails to return to work on the agreed return date, the Tupelo Public School District will assume that the employee has resigned. Furthermore, if an employee fails to return to work following family medical leave for a reason other than the continuation, recurrence, or onset of a serious health condition covered under the Family Medical Leave Act (FMLA), employees may be required to reimburse Tupelo Public School District for health insurance premiums paid on the behalf of the employee.

INSURANCE – DENTAL, VISION, AND HEALTH

The district participates in the state health insurance plan for school employees. Health insurance is provided for all full-time employees of the district. A full-time employee is defined as one who works 20 hours per week or more.

Eligible employees may participate in the health insurance plan subject to all terms and conditions of the agreement between the Tupelo Public School District and the insurance carrier. Several plans of the Blue Cross/Blue Shield health insurance are available. Information on each plan can be obtained from the Benefits Specialist in the Human Resources Office.

Dental and vision insurance are available for employees. The monthly premiums will be deducted from the employee's salary. Information and applications can be obtained from the Benefits Specialist in the Human Resources Office.

A change in employment classification that would result in loss of eligibility to participate in the health insurance plan may qualify an employee for benefits continuation under the Consolidated Omnibus Budget Reconciliation Act (COBRA). Refer to the Benefits Continuation (COBRA) policy for more information.

Details of the health insurance plan are described in the Summary Plan Description (SPD). A Summary Plan Description and information on cost of coverage will be provided in advance of enrollment to eligible employees. Contact the Human Resources Office for more information about health insurance benefits.

LEGAL LEAVE

When an employee is subpoenaed to testify in a court case in which the employee is not a party, or is summoned to serve on a jury, the employee will be granted leave upon the verification of the summons or subpoena by the immediate supervisor. During such absence, the employee will be entitled to receive a regular rate of pay and fringe benefits normally received. Legal leave will not be granted in cases in which the employee is in litigation against the district.

MILITARY LEAVE

A military leave of absence will be granted to employees who are absent from work because of service in the United States Uniformed Services in accordance with the Uniformed Services Employment and Reemployment Rights Act (USERRA). Advance notice of military service is required, unless military necessity prevents such notice or it is otherwise impossible or unreasonable. Employees will continue to receive full pay while on leave for training assignments (up to 15 days) and shorter absences. The portion of any military leaves of absence in excess of two weeks will be unpaid. However, employees may use any available paid time off for the absence.

Continuation of health insurance benefits is available as required by USERRA based on the length of the leave and subject to the terms, conditions and limitations of the applicable plans for which the employee is otherwise eligible. Vacation and sick leave will continue to accrue during a military leave of absence.

Employees on military leave for up to thirty (30) days are required to return to work as soon as is reasonably possible after the end of service, allowing reasonable travel time. Employees on longer military leave must apply for reinstatement in accordance with USERRA and all applicable state laws. Employees returning from military leave will be placed in the position they would have attained had they remained continuously employed or a comparable one depending on the length of the military service in accordance with USERRA. The employee will be treated as though he/she had continuously been employed for purposes of determining benefits based on length of service.

Contact the Human Resources Office for information or if you have questions about military leave.

PERSONAL LEAVE

The Tupelo Public School District provides leaves of absence with pay to eligible employees who wish to take time off from work duties to fulfill personal obligations. As soon as an eligible employee becomes aware of the need for a personal leave of absence, he or she should request a leave from his or her supervisor.

Licensed employees (who work less than twelve months per year): Licensed employees who are not on twelve months contracts may take personal days for a period of up to two (2) calendar days every year. These days will be created at the first of the school year. These employees may use three (3) additional days for personal leave with only the substitute's rate of pay deducted from their salary. Personal days may not be taken on the first or last day of each school year nor on the day prior to or the day after a holiday. Requests for personal leave will be evaluated based on a number of factors, including anticipated work load requirements and staffing considerations during the proposed period of absence and must be approved in advance by the employee's supervisor except in a bona fide emergency. Subject to the terms, conditions, and limitations of the applicable plans, the Tupelo Public School District will continue to provide health insurance benefits for the full period of the approved personal leave. Sick leave will continue to accrue during the approved personal leave period.

SICK LEAVE BENEFITS

The Tupelo Public School District provides paid sick leave benefits to all eligible employees for periods of temporary absence due to illnesses or injuries. Eligible employees may use sick leave benefits for an absence due to their own illness or injury or that of an eligible family member.

Each eligible full-time employee will be credited with ten (10) days sick leave at the beginning of each school year (please note the exception of hourly personnel employed in the area of food service). A sick leave day will be based on the number of hours the employee is normally scheduled to work. Sick leave for employment of less than a full year will be earned at the rate of one day per month of employment for each complete month worked with a maximum of ten days per year. Should an employee terminate employment prior to actually earning the days advanced, a payroll adjustment shall be made to recover the full cost of excess leave days previously used. Hourly school food service employees with at least one full year of continuous employment with Tupelo Public School District will receive seven (7) days sick leave at the beginning of the school year. Employees with less than one year of employment will receive 1.5 days per month for sick leave, not to exceed seven days.

Employees who are unable to report to work due to illness or injury should notify their supervisor before the scheduled start of their workday if possible. The supervisor should also be contacted on each additional day of absence. Should an employee's absence extend for > three (3) or more consecutive workdays, the employee must submit on or before the fifth day, a statement from a licensed physician or dentist concerning the illness. The original letter from the doctor must be filed with the TPSD Office of Human Resources. If the need for absence is foreseeable, an employee must provide notice to the Office of Human Resources within three working days of learning of the need of the leave, except in extraordinary circumstances. The district reserves the right for the supervisor to request a doctor's statement of verification of illness regardless of the length of absence including one day.

Sick leave benefits will be calculated based on the employee's base pay rate at the time of absence. Any unused portion of annual sick leave will be carried over to the next year and credited to the employee. Unused sick leave benefits will be allowed to accumulate indefinitely. Sick leave benefits are intended solely to provide income protection in the event of illness or injury and may not be used for any other absence.

TUITION OF STAFF MEMBERS' DEPENDENTS

District employees will not be required to pay tuition for their dependent children to attend the Tupelo Public School District. However, tuition forms are to be completed and will be kept on file at Student Support Services even though payment is not necessary. Procedures for transferring into the district must be followed.

VACATION BENEFITS

Vacation time off with pay is available to eligible employees to provide opportunities for rest, relaxation, and personal pursuits. Eligible full-time and part-time employees who work twelve months are given ten (10) days of vacation leave per year and may accumulate up to thirty (30) days. A vacation day will be based upon the number of hours the employee is normally scheduled to work. Any days beyond the thirty (30) will be converted to sick leave on July the first of each year.

WORKERS' COMPENSATION INSURANCE

The Tupelo Public School District provides Workers' Compensation Insurance at no cost to employees. This program covers any injury or illness sustained in the course of employment that requires medical, surgical, or hospital treatment. Subject to applicable legal requirements, Workers' Compensation Insurance provides benefits after a short waiting period or, if the employee is hospitalized, immediately. An employee should notify his/her immediate supervisor whenever an injury is incurred whether or not medical attention is needed. A workers' compensation form should be filled out within twenty-four (24) hours of the incident. It is important to report all injuries immediately. This will enable an eligible employee to qualify for coverage as quickly as possible. The immediate supervisor will notify the Human Resources Office, make the necessary arrangements for medical attention, and see that all claim forms are properly completed.

PUBLIC INFORMATION STATEMENT

The Public Information Office is responsible for providing accurate and timely information to all educational staff, students, and citizens of the community regarding efforts by the district to provide each student with the best possible education and preparation. The Public Information Office produces up-to-date media tools that effectively communicate with parents, business leaders, educators, and the community.

At the beginning of each school year every student in the Tupelo Public School District is given a media permission form for parents to sign to give permission or deny permission for their child to participate in public relation activities. These forms also provide permission for the media to interview, photograph, or videotape students.

Educators should inform the Public Information Office of all innovative, exciting, and interesting stories that are happening in the classroom or school wide. The Public Information Office is the support for all staff in informing the media and the community of events, activities, and stories.

RETURN OF PROPERTY

Employees are responsible for items issued to them by the Tupelo Public School District or in their possession or control, such as the following:

- Books and educational materials
- Official gradebooks and student work needed for grades
- Equipment
- Identification or security badges
- Keys
- Manual
- Protective equipment

- Tools
- Uniforms
- Vehicles
- Written materials

The employees must return all Tupelo Public School District property on or before the last day of work. Failure to return promptly any property in the employee's possession will result in action to recover the property by legal means.

SAFETY reference TPSD Policy GAEA

To assist in providing a safe and healthful work environment for employees, students, and visitors, the Tupelo Public School District has established a workplace safety program. This program is a top priority for the district. The Department of Operations (or the building administrator or supervisor) has responsibility for implementing, administering, monitoring, and evaluating the safety program. Its success depends on the alertness and personal commitment of all.

The Tupelo Public School District provides information to employees about workplace safety and health issues through regular internal communication channels such as staff or faculty meetings, bulletin board postings, memos, or other written communications.

Some of the best safety improvement ideas come from employees. Those with ideas, concerns, or suggestions for improved safety in the workplace are encouraged to bring them to the attention of the Department of Operations (or the building administrator or supervisor.)

Reports and concerns about workplace safety issues may be made anonymously if the employee wishes. All reports can be made without fear of reprisal.

Each employee is expected to obey safety rules and to exercise caution in all work activities. Employees must immediately report any unsafe condition to the appropriate supervisor. Employees who violate safety standards, who cause hazardous or dangerous situations, or who fail to report or remedy such situations, may be subject to disciplinary action, up to and including termination of employment.

In the case of accidents that result in injury, regardless of how insignificant the injury may appear, employees should immediately notify the Human Resource Department or your building administrator or supervisor. Such reports are necessary to comply with laws and initiate insurance and Workers' Compensation benefits procedures.

SEXUAL HARASSMENT AND OTHER HARASSMENTS

The Tupelo Public School District is committed to providing a work and school environment that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive, including sexual harassment. Actions, words, jokes, or comments based on an individual's sex, race, color, national origin, age, religion, disability, or any other legally protected characteristic will not be tolerated. The Tupelo Public School District provides ongoing sexual harassment training to ensure employees have the opportunity to work in an environment free of sexual and other unlawful harassment.

Sexual harassment is defined as unwanted sexual advances, or visual, verbal, or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes

gender-based harassment of a person of the same sex as the harasser. The following is a partial list of sexual harassment examples:

- Unwanted sexual advances
- Offering employment benefits in exchange for sexual favors
- Making or threatening reprisals after a negative response to sexual advances
- Visual conduct that includes leering, making sexual gestures, or displaying of sexually suggestive objects or pictures, cartoons or posters
- Verbal conduct that includes making or using derogatory comments, epithets, slurs, or jokes
- Verbal sexual advances or propositions
- Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, or suggestive or obscene letters, notes or invitations
- Physical conduct that includes touching, assaulting, or impeding or blocking movements

Unwelcome sexual advances (either verbal or physical), requests for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when:

- 1) submission to such conduct is made either explicitly or implicitly a term or condition of employment;
- 2) submission or rejection of the conduct is used as a basis for making employment decisions; or,
- 3) The conduct has the purpose or effect of interfering with work performance or creating an intimidating, hostile, or offensive work environment. Sexual harassment can occur between employees, between students or between an employee and a student. It is each employee's responsibility to recognize and report any type of sexual harassment.

If you experience or witness sexual or other unlawful harassment in the work place, report it immediately to your supervisor. If the supervisor is unavailable or you believe it would be uncomfortable or inappropriate to contact that person, you should immediately contact the Director of Human Resources or any administrator in the District Administrative Office. It is important for you to report the harassment. You can raise concerns and make reports without fear of reprisal or retaliation. All allegations of sexual harassment will be quickly and discreetly investigated. To the extent possible, your confidentiality and that of any witnesses and the alleged harasser will be protected against unnecessary disclosure. When the investigation is completed, you will be informed of the outcome of the investigation.

Any supervisor or employee who becomes aware of the possible sexual or other harassment must immediately advise the Title IX Coordinator, the Human Resources Office, or any administrator in the District Administrative Office so that it can be investigated in a timely and confidential manner. Anyone who is determined to have engaged in sexual or other unlawful harassment will be subject to disciplinary action, up to and including termination.

It is a separate and distinct violation of the Sexual Discrimination and Harassment policy for any member of the school community to retaliate against any person who reports alleged harassment or against any person who testifies, assists or participates in an investigation, proceeding, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment and may be redressed through application of the same reporting, investigation and enforcement procedures as for harassment. See TPSD Policy GACN.

STAFF PROTECTION STATEMENT

No parent, guardian or other person shall insult or abuse an employee while school is in session or in the presence of students, under penalty of law §37-11-21. The Board of Trustees of the Tupelo Public School District recognizes that from time to time it may be necessary to refer legal charges against students or non-students in violations that occur at school or at school related activities. Any intimidation or threat toward an employee or student by any student or outside interest will not be tolerated. Such offenses will be dealt with immediately in the most severe manner.

TOBACCO USE PROHIBITED

Recognizing that the health of employees and students is a concern, the Board of Trustees has declared the school environment to be tobacco free. It is the policy of the Board that the use of tobacco and tobacco products, including smokeless tobacco, is therefore prohibited on the property of the school district. It is further the policy of the Board that the use of tobacco and tobacco products, including smokeless tobacco, is prohibited in all vehicles owned, leased or operated by the district.

District employees and students will not be permitted to use tobacco or tobacco products, including smokeless tobacco, while they are participants in any class or activity in which they represent the school district.

In addition to students and employees, the policy is applicable to spectators at contests or activities and to all other persons who are authorized to be in the facilities of the district. "No smoking" signs will be prominently displayed in areas regularly used by the general public.

The district will provide educational programs to inform students of the negative impact on health associated with the use of tobacco products.

UNIVERSAL PRECAUTIONS STATEMENT

Universal precautions are work practices that help prevent contact with blood and certain other body fluids. Universal precautions are a person's best protection against AIDS, hepatitis B and other infectious diseases. To help prevent the spread of diseases communicated by body secretions, the following is recommended:

- Wear disposable plastic or rubber gloves when in contact with body secretions and do not reuse disposable gloves.
- Wash hands after contact with children. Use disposable paper towels. Encourage children to wash their hands after bathroom use or if they have other body substances on their hands.
- To clean up body fluids, always use an approved disinfectant. Clean your work surface any time it is contaminated with blood or other body fluids, and when work is completed.
- Do not eat or drink in work areas where blood or other body fluids may be present. Do not handle contact lenses or apply lip balm/cosmetics in these areas.
- Most importantly, ask questions for understanding, and always follow safety procedures.

VISITATION AT SCHOOL DISTRICT FACILITIES

The Tupelo Public School District welcomes parents and citizens to district facilities to observe students, teachers and other staff members, but to ensure the safety of students and employees the following guidelines must be enforced:

- All visitors/guests will report to the site office when entering a building to receive authorization and identification badges. Authorized visitors will receive directions or be escorted to their destination. Employees are responsible for the conduct and safety of their visitors.
- Staff members who wish to invite speakers/guests to their classroom will get prior approval from the principal.
- Parents or citizens who wish to observe a classroom will make advance arrangements with the teacher and principal of that school.
- District employees will follow the same procedures as other visitors to a campus and will wear visible identification badges at all times.
- Procedures at each work site should be followed.

To provide for the safety and security of students and employees and the facilities in the Tupelo Public School District, only authorized visitors are allowed in the workplace. Restricting unauthorized visitors helps maintain safety standards, protects against theft, ensures security of equipment, protects confidential information, safeguards employee welfare, and avoids potential distractions and disturbances.

If an unauthorized individual is observed on the Tupelo Public School District's premises, employees should immediately notify their supervisor, or if necessary, direct the individual to the administrative offices of each school facility.

DISTRICT RESOURCES, SERVICES AND PROCEDURES

COMPUTER AND E-MAIL USAGE

Computers, computer files, the e-mail system, and software furnished to employees are the property of the Tupelo Public School District and are intended for school business use. Employees should not use a password, access a file, or retrieve any stored communication without authorization. To ensure compliance with this policy, computer and e-mail usage may be monitored.

The Tupelo Public School District strives to maintain a workplace free of harassment and to be sensitive to the diversity of its employees. Therefore, the district prohibits the use of computers and the e-mail system in ways that are disruptive, offensive to others, or harmful to morale.

For example, the display or transmission of sexually explicit images, messages, and cartoons is not allowed. Other such misuse includes, but is not limited to, ethnic slurs, racial comments, off-color jokes, or anything that could be construed as harassment or showing disrespect for others. E-mail may not be used to solicit others for commercial ventures, religious or political causes, outside organizations, or other non-school business matters.

The Tupelo Public School District purchases and licenses the use of computer software for business purposes and does not own the copyright to this software or its related documentation.

Unless authorized by the software developer, the District does not have the right to reproduce such software for use on more than one computer.

Employees may only use software on local area networks or on multiple machines according to the software license agreement. The Tupelo Public School District prohibits the illegal duplication of software and its related documentation.

Employees should notify their immediate supervisor, the school district computer systems' coordinator, or any school administrator upon learning of violations of this policy. Employees who violate this policy will be subject to disciplinary action up to and including termination of employment. Ensure you review TPSD Policy IFBGA on line at www.tupeloschools.com .

CONSERVATION OF ENERGY

All employees will be responsible for making every effort to conserve energy and natural resources. The district will maintain accurate records of energy consumption and energy costs and will provide local media with the goals and progress of the energy conservation. The district has short and long-range strategies in the areas of facilities management and curriculum development dealing with awareness and conservation. For the program to be successful, each employee must be aware of his/her role as an energy saver.

INTERNET USAGE

Internet access to global electronic information resources on the World Wide Web is provided by the Tupelo Public School District to assist employees in obtaining work-related data and technology. The following guidelines have been established to help ensure responsible and productive Internet usage. Internet usage is intended for school research and job-related activities.

All Internet data that is composed, transmitted, or received, via our computer communications system is considered to be part of the official records of the Tupelo Public School District, and as such, is subject to disclosure to law enforcement or other third parties. Consequently, employees should always ensure that the information contained in Internet e-mail messages and other transmissions are accurate, appropriate, ethical, and lawful.

The equipment, services, and technology provided to access the Internet remain at all times the property of the Tupelo Public School District. As such, the district reserves the right to monitor Internet traffic, and retrieve and read any data composed, sent, or received through our online connections and stored in our computer systems.

Data that is composed, transmitted, accessed, or received via the Internet must not contain content that could be considered discriminatory, offensive, obscene, threatening, harassing, intimidating, or disruptive to any employee or other person. Examples of unacceptable content may include, but are not limited to, sexual comments or images, racial slurs, gender-specific comments, or any other comments or images that could reasonably offend someone on the basis of race, age, sex, religious or political beliefs, national origin, disability, sexual orientation, or any other characteristic protected by law.

The unauthorized use, installation, copying, or distribution of copyrighted, trademarked, or patented material on the Internet is expressly prohibited. As a general rule, if an employee did not create material, does not own the rights to it, or has not gotten authorization for its use, it should not be put on the Internet. Employees are also responsible for ensuring that the person sending any material over the Internet has the appropriate distribution rights.

Internet users should take the necessary anti-virus precautions before downloading or copying any file from the Internet. All downloaded files are to be checked for viruses; all compressed files are to be checked before and after decompression.

Abuse of the Internet access provided by the Tupelo Public School District in violation of law or District policies will result in disciplinary action, up to and including termination of employment. Employees may also be held personally liable for any violations of this policy. The following behaviors are examples of previously stated or additional actions and activities that are prohibited and can result in disciplinary action:

- Violating copyright law
- Failing to observe licensing agreements
- Participating in the viewing or exchange of pornography or obscene materials
- Sending or posting messages that defame or slander other individuals
- Engaging in any other illegal activities

PERFORMANCE EVALUATION

Licensed Employees: The Tupelo Public School District has developed an assessment instrument for licensed employees designed to review, analyze and improve the educational and/or administrative skills of each licensed employee. The assessments also are useful in making job assignments and may be used to contract renewal decisions. Job performance observations may be made on a daily or weekly basis, but the assessment provides a structured method of evaluation with the opportunity of each employee to review and respond. The assessment is conducted annually. Reference TPSD Policies GBIB.

Classified Employees: Supervisors and employees are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. Additional formal performance evaluations are conducted to provide both supervisors and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals.

The Board of Trustees of the Tupelo Public School District authorizes the superintendent or designee to purchase and supervise the purchasing of all supply items, repair parts, vendor

6. For purchases of more than \$75,000.00, the Business Office must advertise for competitive sealed bids to purchase.

RESIGNATION

Resignation is a voluntary act initiated by the employee to terminate employment with the Tupelo Public School District. Although advance notice is not required, the district requests at least two (2) weeks written resignation notice from all employees. Prior to an employee's departure, an exit interview may be scheduled to discuss the reasons for resignation and the effect of the resignation on benefits.

USE OF EQUIPMENT AND VEHICLES

The Board prohibits the use of alcohol and controlled substances by employees in safety-sensitive positions, including but not limited to bus drivers and other district employees of commercial motor vehicles who are subject to commercial driver's license requirements. Such employees are prohibited (1) from possessing alcohol and/or a controlled substance for a period beginning eight hours before going on duty and concluding when going off duty, and (2) from being under the influence of alcohol or drugs while on duty.

Equipment and vehicles essential in accomplishing job duties are expensive and may be difficult to replace. When using property, employees are expected to exercise care, perform required maintenance, and follow all operating instructions, safety standards, and guidelines.

Please notify the supervisor if any equipment, machines, tools, or vehicles appear to be damaged, defective, or in need of repair.
