ARTICLE 2: RECOGNITION

The District confirms its recognition of the Association as the exclusive representative for that unit of employees including all probationary and permanent certificated employees plus temporary employees who are employed for at least one semester during the school year and summer school certificated employees excluding all administrators, managers, classified employees and all day-to-day substitutes and long-term substitutes.

ARTICLE 3: NON-DISCRIMINATION

- 3.1 The District shall not discriminate against any unit member on the basis of race, color, creed, age, sex, gender, ethnic background, national origin, political affiliation, sexual orientation, martial status, disability, immigration status, or membership or participation in the activities of the Association.
- 3.2 The Association will admit unit members to membership without discrimination on the basis of race, color, creed, age, sex, gender, ethnic background, national origin, political affiliation, sexual orientation, martial status, immigration status, or disability.
- 3.3 In application or oral interview procedures, the District shall not inquire about a candidate's membership in or preference for employee organizations.
- 3.4 In its employment practices, the District will implement and maintain policies and procedures in accordance with state and federal law, including the California Fair Employment and Housing Act (FEHA) and the Americans with Disabilities Act (ADA).

ARTICLE 4: STATUTORY CHANGES

If during the term of this Agreement there is enacted legislation or a constitutional amendment that affects an Article agreed to in this Agreement or a matter within the scope of bargaining, the parties hereto may agree mutually in writing to reopen this Agreement.

ARTICLE 5: PROFESSIONAL DUES OR FEES AND PAYROLL DEDUCTIONS

- 5.1. The parties agree that membership in UTSC/CTA/NEA is the responsibility of the Association. Upon receipt of notification from the UTSC/CTA/NEA, the District shall deduct one-tenth (1/10) of such dues from the regular salary check of the unit members each month for ten (10) months. Deductions for unit members who sign such authorization after the commencement of the school year shall be appropriately pro-rated to complete payments by the end of the school year.
- 5.2. Any bargaining unit member who does not apply for membership shall not have membership dues deducted from their pay warrant.
- 5.3. With respect to all sums deducted by the District pursuant to Paragraphs 5.1 above, the District agrees promptly to remit such monies to the Association accompanied by an alphabetical list of unit members for whom such deductions have been made and indicating any changes in personnel from the list previously furnished.
- 5.4. The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.
- 5.5. **Maintenance of Membership**

The District shall not end dues deductions for a member who wishes to terminate their membership until the UTSC/CTA/NEA notifies the District that the request to membership has been processed by the CTA.

 - 5.5.1. Members of the Association returning from an unpaid leave of absence shall have their deductions for membership dues resumed upon return.
- 5.6. Unit members shall be provided the opportunity for payroll deductions designated for NEA-PAC, ABC and FACT.
- 5.7. The Association agrees to pay to the District all reasonable legal fees and legal costs incurred in defending against any court action and/or administrative action before the Public Employment Relations Board challenging the provisions of this Article or their implementation. The Association shall have the exclusive right to decide and determine whether any such action or proceeding referred to above shall or shall not be compromised, resisted, defended, tried or appealed.

ARTICLE 6: MISCELLANEOUS PROVISIONS

The parties shall meet not later than thirty (30) calendar days after such court decision to renegotiate the provision or provisions affected.

ARTICLE 8: DISTRICT RIGHTS

The exercise of the powers, rights, authority, duties and responsibilities by the District as set forth below, and the adoption of policies, rules, regulations and practices in furtherance thereof; and the use of judgment and discretion in the connection therewith, shall be limited only by the specific and expressed terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

9.1. Rights of Access and Communication

9.1.1. The Association shall have the right to access at reasonable times areas in which employees work. Authorized representative(s) of the Association shall have the right to transact official Association business on school property and utilize District facilities at all reasonable times provided that such activities or use do not interfere with classroom instruction or the unit member workday. ARTICLE 10: WAIVER

The parties agree that the following procedure shall apply to schools that wish to adopt waivers of the Collective Bargaining Agreement (CBA), which shall be submitted to the Association and the District for approval. This procedure shall apply to any section of the CBA unless that section contains a separate and particular waiver provision.

- 10.1. Identification of the specific CBA article and contract language to be waived shall be written in every waiver.
- 10.2. The proposed substitute language and the waiver request must be submitted to the Association and the District for approval. Within thirty (30) calendar days of receiving a validated waiver request, the Association and the District shall render their decision. Language changes that are agreed to by the Association and the District are in effect for the period specified in the waiver, not to exceed three years.
 - 10.2.1. A retroactive waiver request must be approved by the Association and District prior to site vote.
- 10.3. The change being proposed to the CBA must be reviewed and agreed to by the site faculty by a 75% secret ballot vote. The election timeline and material shall be created jointly by the UTSC Site Representative and the Site Administrator. In the case that a group smaller than the entire faculty is affected, the affected body must, by a 75% secret ballot vote, agree to the change. All ballots must be submitted to the Association and the District with the waiver request.
 - 10.3.1. Voting Procedure
 - 1) Conducting the actual secret ballot voting is a responsibility of the Association. UTSC will designate the site representatives who will assist with balloting.
 - 2) Any affected member not physically present at the vote shall be given an opportunity, within 24 hours, to cast a ballot. This process will be verified by the UTSC Site Representatives.

ARTICLE 11: GRIEVANCE

11.1. Definitions

- 11.1.1. **"Grievance"** - A grievance is a claim that the aggrieved has been adversely affected by a violation, misinterpretation, misapplication, or omission of a specific provision of this Agreement. Actions to challenge or change this Agreement, or where there is a specific method of review provided by law (i.e., dismissal procedures, OSHA, DFEH and EEOC) shall not be subject to this Article.
- 11.1.2. **"Day"** - For the purposes of this article only, a day is any day the employee is required to report for duty.
- 11.1.3. **"Immediate Supervisor"** - The immediate supervisor is the lowest level administrator having immediate jurisdiction over the grievant and who has been designated by the District to adjust grievances.
- 11.1.4. **"Aggrieved"** - The aggrieved is an employee or group of employees making the claim. The Association may file a grievance on behalf of an employee or group of employees.
- 11.1.5. **"Group Grievance"** - A group grievance is a grievance which involves the same or similar factual situation and the same District management employee, provided the claim is signed or initialed by those involved in the group grievance.
- 11.1.6. **"Representative"** - A representative shall be a person chosen by the Association to represent the aggrieved.

11.2. Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, solutions to grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure. Both parties agree that an effort will be made to continue progress toward resolution of grievances whose timelines are interrupted by unit members' vacations. Time limits at Formal Levels 1-3 may be extended by the mutual written and signed agreement of both parties. Each extension shall not exceed 30 days. Failure to respond or appeal within the extended timeline will result in the grievance being dismissed.

11.3. Steps of Grievance

11.3.1. **Informal**

- 11.3.1.1. Within twenty (20) days of the event or within twenty (20) days of when the aggrieved could reasonably be expected to know of the event which gives rise to the grievance, the aggrieved shall meet with his/her immediate supervisor, or the appropriate district administrator if the dispute arises at the District level, and inform the administrator that the meeting is intended as an informal grievance meeting pursuant to this Article. The aggrieved may, at his/her option, request that an Association representative be present at all informal meetings.

11.3.2. **Formal**

11.3.2.1. **Level 1- Immediate Supervisor**

- a) If the grievance is not settled at the informal level, the aggrieved, within ten (10) days of the informal meeting, shall submit a formal written statement of the grievance to the immediate supervisor, or the appropriate district administrator if the dispute arises at the District level, requesting a written answer. This statement shall include specific contract items/provisions in dispute, a clear, concise statement of the grievance, the circumstances involved, the decision rendered at the informal conference, the specific remedy sought, and the date of the alleged event which forms the basis for the grievance.
- b) The supervisor shall issue a written decision to the grievant within ten (10) days after receiving the grievance. If the supervisor does not respond within the time limits, the grievant may appeal to the next level within 3 days after expiration of the supervisor's deadline. Within the above time limits, either party may request a conference with the other party.

11.3.2.2. **Level 2 – Superintendent or Designee**

- a) If not satisfied with the decision at Level 1, or if no decision is communicated, the grievant may, within ten (10) days of receipt of the Level 1 decision, submit a written appeal of the Level 1 decision to the Superintendent or designee for review. The designee shall not be the same District administrator who was involved at Level 1 if the dispute originated at the District level.

- b) The Superintendent or designee shall review the record of the prior steps and convey his/her decision to the aggrieved within ten (10) days of receipt of the Level 1 written appeal. Within the above time limits, either party may request a conference with the other party. If the grievant(s) fails to meet any of the above timelines, the grievance shall be dissolved.

11.3.2.3. **Level 3 – Mediation**

- a) If the grievant is not satisfied with the disposition of the grievance or if no disposition has occurred within the timelines specified for Level 2, within ten (10) days of receipt of the Level 2 response, the grievant may submit a written request to the Association to refer the grievance to mediation. The grievant and the Association shall provide a simultaneous copy of the request to the Assistant Superintendent of Human Resources.
- b) Within (10) days of the request for mediation, the District and Association shall notify one another in writing if it agrees to or waives mediation. If either party opts to waive mediation the Association may proceed directly to the arbitration level (11.3.2.4).
- c) If the Association agrees to refer the grievance to mediation, and the District concurs, then the parties shall attempt to agree to a mediator. If the parties are unable to agree upon a mediator within 10 days, the Association shall request that the California State Mediation/Conciliation Service (CSMCS) assign a mediator to attempt to resolve the grievance. The Association will provide a copy of its request for assignment of a mediator to the Assistant Superintendent of Human Resources.
- d) Mediation is advisory and not binding upon the parties, unless the parties reach an agreement. Any agreement reached in mediation shall be reduced to writing, signed by the parties and binding on the parties, including the grievant(s).
- e) The costs of the mediator will be borne equally by the District and the Association.

- f) In the event that the grievant, the Association and the Assistant Superintendent of Human Resources or her/his designee have not resolved the grievance with the assistance of the mediator within twenty (20) days from the first meeting held by the mediator, either the Association or the District may terminate mediation. If either Party or the mediator terminates mediation, the grievance may proceed to Level Four. However, the Parties may mutually agree in writing to extend the mediation timelines.

11.3.2.4. **Level 4 – Arbitration**

- a) If the grievance is either not resolved in mediation or the District and/or Association elects to waive the mediation level, the Association, within ten (10) days of receipt of the notice to waive mediation or the final mediation session, may submit the grievance to final and binding arbitration. In such cases, the parties shall first attempt to select a mutually agreeable arbitrator. If they are unable to agree on an arbitrator, the Association shall request a list of arbitrators from the California State Mediation and Conciliation Service.
- b) Representatives of the Association and the District's representative shall select the arbitrator from the list by eliminating names until one name remains. The first option of elimination shall alternate. The one remaining name shall be the arbitrator. The process of striking names shall occur within ten (10) days of the receipt of the list by both parties.
- c) Once the arbitrator has been selected, hearings shall commence at the convenience of the arbitrator. Hearings shall be confined to working days, unless mutually agreed otherwise.
- d) The arbitrator shall conduct the hearing in accordance with the voluntary arbitration rules of the American Arbitration Association and the provisions of this procedure. The arbitrator's award shall be final and binding on both parties.
- e) If any question arises as to the arbitrability of the grievance, such questions will be ruled upon by the arbitrator at the time the

grievance is heard. The arbitrator shall have no authority to add to, subtract from, or modify the terms of this Agreement, and the arbitrator shall interpret this Agreement in accordance with accepted arbitral standards of contractual interpretation.

- f) If any party requests a transcript of the proceedings, that party shall bear the full cost for that transcript. If both parties request one transcript, the cost of the transcript shall be divided equally between the District and the Association.
- g) The arbitrator's decision will be in writing and will set forth the arbitrator's findings of fact, reasoning and conclusions of the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which violates the terms of this Agreement. A copy of the award will be submitted to the Superintendent, the aggrieved, and the Association.
- h) All costs for the services of the arbitrator, including, but not limited to, per diem expenses, the arbitrator's travel and subsistence expenses, and the cost of any hearing room will be borne equally by the District and the Association. All other costs will be borne by the party incurring them.
- i) Upon mutual agreement of the District and the Association, the arbitration may proceed under expedited rules of the American Arbitration Association and notice of such agreement shall accompany the request for a list of arbitrators.

11.4. **General Provisions**

- 11.4.1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time specified, however, may be extended by mutual consent.
- 11.4.2. In the event a grievance is filed at such time that it cannot be processed through all levels of the procedure by the last working day of the school year, the time limits set forth herein will be reduced upon mutual agreement, so that

the procedure may be completed prior to the end of the school year, or as soon thereafter as it is practicable.

- 11.4.3. A unit member may represent him or herself through Level 2 or be represented by the Association.
- 11.4.4. If the act or omission which is the basis of the grievance occurs at a Level above the immediate supervisor, the grievance may be initiated at Level 2.
- 11.4.5. Forms for filing grievances shall be available at the District Office, the Association Office, and on both the District and UTSC websites.
- 11.4.6. The parties in interest agree to make available to each other all pertinent information not privileged under law in its possession or control and which is relevant to the issues raised by the grievance.
- 11.4.7. A decision rendered at any level shall be considered final unless an appeal is submitted within the time limit specified. If a decision is not given to the aggrieved within the time limit, an appeal may be taken to the next level. When the aggrieved is not represented by the Association, the Association shall be informed of the decision and have the right to present in writing its views on the grievance at all steps of the procedure.
- 11.4.8. No party shall take reprisals affecting employment status of any member of the unit, party in interest, any Association representative, or any other participant in the procedure by reason of such participation.
- 11.4.9. Any record(s) pertaining to a grievance shall be kept in a file separate from the aggrieved's official District personnel file.
- 11.4.10. When it is necessary for a representative designated by the Association to attend a hearing during the day, the representative will, upon notice to the representative's principal or immediate supervisor by the President or designee of the Association, be released without loss of pay to participate in the foregoing activities. Any member of the unit who is requested to appear in such hearings as a witness shall be accorded the same right.
- 11.4.11. If the Association and the Superintendent or the Superintendent's designee agree in writing, the grievance may be brought directly to arbitration.

ARTICLE 12: EVALUATIONS (See Evaluation Handbook for additional information and forms)

12.1. Philosophy

The Evaluation Process is a collaborative endeavor between unit members and administrators designed to provide goal setting and self-reflection in order to facilitate growth, improvement and risk taking in educational practices. Effective, meaningful evaluation enhances student learning as measured by professional standards. Evaluation must be acknowledged as a continual process to encourage life-long learning, promote professional growth and foster student success.

12.2. Evaluation Process

- 12.2.1. A “day” for purposes of this Article means a day that the unit member is required to report to work.
- 12.2.2. The evaluator shall be the unit member’s immediate supervisor and/or any other management employee designated by the District who supervises the unit member.
- 12.2.3. All bargaining unit members shall receive notice identifying the evaluation cycle and evaluator, not later than September 15 of the year in which the member is to be evaluated.
- 12.2.4. By October 1 for temporary and probationary unit members, and October 15 for permanent unit members, the evaluator and unit member will meet to set goals, determine needs to successfully complete these goals and set a tentative schedule for formal observations or components of the alternative evaluation.
- 12.2.5. Permanent unit members whose previous evaluation was deemed “meets standards,” may, with the agreement of the evaluator, elect to participate in an Alternative Evaluation.
- 12.2.6. Each permanent unit member shall be evaluated on a continuing basis. Permanent unit members performing satisfactorily shall be formally evaluated at least once every two years, unless qualifying for and participating in the up to five year evaluation cycle.
 - 12.2.6.1. Permanent unit members who have been employed for at least ten (10) years with the school district, and whose most recent evaluation was deemed “meets standards,” may, with mutual agreement of the supervisor, be evaluated at least every five years. Either party may

withdraw his/her consent and require a return to the “at least once every two years” evaluation cycle. An agreement to extend the evaluation cycle must be documented on the District form and submitted to the Human Resources Department to be placed in the unit member’s personnel file.

- 12.2.7. Permanent unit members shall be formally observed at least once during the evaluation year, but not later than January 15.
- 12.2.8. Probationary and temporary unit members shall be formally observed at least twice a year, the first by November 15, and the second by February 1.
- 12.2.9. The formal observation shall include a pre-observation meeting, within five (5) days of the observation, the actual observation, and a post-observation meeting, occurring not later than five (5) days after the observation. These dates and meetings shall only be changed by mutual agreement.
- 12.2.10. Informal observations shall occur at least once each evaluation year for permanent unit members and twice for temporary and probationary employees.

12.3. **Areas of Evaluation**

The District shall evaluate and assess certificated unit members’ performance as it reasonably relates to the California Standards for the Teaching Profession.

12.4. **Final Evaluation Summary**

Temporary and Probationary unit members shall receive their Final Evaluation Summary by February 15. Permanent unit members shall receive their Final Evaluation Summary not later than thirty (30) calendar days before the end of the school year.

12.5. **“Progress Not Satisfactory” Evaluation in a Domain, with an overall satisfactory evaluation—Permanent Unit Members**

If a permanent unit member receives “Progress Not Satisfactory” in any domain on the Final Evaluation Summary, the evaluator shall develop a Performance Assistance Plan in that domain for the subsequent year. The unit member shall have the opportunity to participate in the development of the Performance Assistance Plan.

12.6. **Overall “Unsatisfactory” Evaluation - Permanent**

- 12.6.1. A permanent unit member who receives an overall “Unsatisfactory” rating on his/her Final Evaluation Summary shall be given an “improvement” plan, by his/her evaluator, that addresses the unsatisfactory areas.
- 12.6.2. If the evaluator determines that the unit member’s overall performance is unsatisfactory, the evaluator shall notify the unit member by April 15. The

unit member may request that another administrator conduct an observation before the final evaluation is issued. A permanent bargaining unit member who receives an overall “unsatisfactory” rating on his/her Final Evaluation Summary shall be referred to the Professional Support Program (formerly PAR), for peer assistance in the subsequent year (see Article 13 -Professional Support Program). The member shall be formally evaluated in the subsequent year.

12.6.2.1. A member who receives an overall unsatisfactory rating on his/her Final Evaluation Summary may request additional observations by someone other than the designated evaluator as part of the subsequent year evaluation process.

12.6.3. Upon receiving a “meets standards” evaluation during the Professional Support Program year, the unit member will return to the at least every two years evaluation cycle.

12.7. All bargaining unit members may respond in writing to any evaluation documents placed in their personnel files. These responses shall become a permanent attachment to the evaluation in the file.

ARTICLE 13: PROFESSIONAL SUPPORT PROGRAM

Philosophy

Along with the Induction program for new hires, the Professional Support Program (PSP), provides access for permanent and probationary unit members who are not eligible for the Induction programs to peer support and other types of professional support. The PSP is available to unit members who request to participate as well as those who are referred. In all cases, the PSP is aimed at enhancing the member's skills, proficiencies and talents.

13.1. Types of Support

- 13.1.1. New (to the Profession) Teacher—support is automatically provided through the Induction programs (see Article 14).
- 13.1.2. Self-referred/Voluntary—specific professional support is requested by a unit member.
- 13.1.3. Recommended/Voluntary—support is recommended by the evaluator, or if the unit member is not on the evaluation cycle, by the unit member's supervisor, based upon their belief that the unit member would benefit from participation in the program. The unit member has the right to decline the recommendation.
- 13.1.4. Referred—support is required as a result of receiving an overall unsatisfactory rating on the Final Evaluation and will include a Support coach.

13.2. Elements of Support—The Program Participant and Evaluator/Supervisor, and Coach if appropriate, shall develop a Support Plan that shall be based on the participant's self-assessment and reflection, and may include, but is not limited to, the following:

- 13.2.1. Goal setting
- 13.2.2. Support Coach
- 13.2.3. Demonstration teaching
- 13.2.4. Calendar of support/timelines
- 13.2.5. Observation, professional development, team-teaching
- 13.2.6. Informal feedback
- 13.2.7. Reflection journal

13.3. Professional Support Program Committee

- 13.3.1. The PSP committee shall include the Assistant Superintendent of Human Resources or designee and the UTSC President or designee, and a third party if

the Assistant Superintendent and President agree this is necessary. The PSP's responsibilities are as follows:

- 13.3.1.1. Establish a list of qualified support coaches, to include individuals who have been trained in the designated coaching program.

27.6.1. Voluntary Transfer - A transfer initiated by the unit member

- 27.6.1.1. The unit member must submit a transfer request by February 15 to the Human Resources Office and indicate on the transfer form a request for an interview. The offered interview does not guarantee the requested transfer assignment. Unit members requesting a voluntary transfer must have on file in the Human Resources Office a current satisfactory evaluation.
- 27.6.1.2. If a unit member's voluntary transfer is not granted and the unit member applies the following year, the unit member shall be offered a transfer within one (1) year of the second request, should an opening exist for which the employee is credentialed to teach. If an offer is made and rejected by the unit member, there is no further obligation by the District.

- 27.6.1.8. By mutual agreement between two (2) teachers from different sites and the approval of the principals at the sites, the teachers may exchange work location assignments as long as credentials are compatible. A unit member who has been in a split assignment as defined in Article 28, § 28.8, for at least three (3) years, shall be granted the right of first refusal, if the District is able to accommodate the request, to a vacancy at a site to which the unit member is currently assigned, and in the subject the Unit member is currently teaching.

No unit member shall be involuntarily transferred for punitive reasons.
- 27.6.2.3. A unit member who is to be involuntarily transferred shall receive written notice of such action together with the reasons for this action, including why the unit member was selected. This notice shall be given by April 30 except when the reasons necessitating the involuntary transfer occur after April 15. In the event that the individual objects to the transfer after

receiving the reasons thereof, they may appeal the decision through the grievance procedure in this Agreement.

- 27.6.2.4. The District shall offer to a unit member who is to be involuntarily transferred as many vacancies as are available for which the unit member is qualified. The unit member shall indicate three separate preferences in writing from a list of available vacancies, or fewer if less than three are available. The Superintendent or designee shall honor such preferences subject to the unit member's teaching experience, major/minor field of study, credential, training, documented strengths or weaknesses, or seniority.
- 27.6.2.5. If an involuntary transfer is made after the unit member has reported to work, the unit member will have at least two (2) working days without classroom duties to move and prepare or they will be compensated at the non-instructional rate if the use of working days is not feasible. - 27.6.2.6. When a unit member is notified of an involuntary transfer as the result of enrollment projections for the subsequent school year and the transfer is no longer necessary or a vacancy occurs at the original site for which the affected unit member is credentialed, the unit member to be transferred has the right of first refusal to remain at the original site. The right of first refusal shall be exercised with 5 working days of notice of the vacancy and no later than June 30.

28.2. Initial Placement on the Salary Schedule

Initial placement on the salary schedule is determined by two factors: the number of units (calculated as semester units), beyond the Bachelor's degree, from an accredited college or university, completed before the first day of service; and the number of years of prior experience.

28.2.1. There are three (3) columns based upon post Bachelor's degree units:

28.2.3. Credit for out of district experience will be given on a year-for-year basis for up to twelve (12) years. Certificated unit members hired with more than twelve (12) years of creditable experience will be placed at the salary cell closest to and higher than the salary from their last qualifying employment, unless there is no such salary cell on the District's certificated salary schedule. In that case the unit member shall be placed at the salary cell closest to the previous salary.

28.2.3.1. Qualifying employment, for purposes of creditable experience, is defined as having performed duties and responsibilities reasonably related to the position being sought. The final determination is made by the District's Human Resources Department in consultation with the Association.

Bargaining unit members who work or are on authorized paid leave under section 23.2 for less than 75% of the school year, shall be eligible to earn one year of service when the cumulative total is at least 1 full year, by June 30 of the previous year, e.g. a 60% employee earns a year of service after completing two years of part-time service. Such movement on the schedule only occurs at the start of a new school year.

28.3.2.3. Continuing Education Units (CEUs) or hours of professional development, taken outside of the work day, at the unit member's expense and pre-approved, in writing, by the District Human Resources department, shall be accepted for horizontal movement on the salary schedule.

- 28.3.2.4. Verification of satisfactory completion of course work taken for horizontal movement on the salary schedule must be filed in the Human Resources Office. Verification is an official transcript or certificate of completion.
- 28.3.2.5. A horizontal advancement increase becomes effective after the verification is submitted to the Human Resources office, not when the course work is completed.
- 28.3.2.6. A bargaining unit member who qualifies for a horizontal advancement shall be paid the increased salary not later than three (3) regular pay periods or three (3) months, whichever is longer, after the employee files verification with the Human Resources office.
