VISION

Empower to learn.

Empower to lead.

MISSION

Austin Elementary aims to prepare our students to be well-rounded citizens and life-long learners. We encourage them to build relationships that will positively impact their community.

PANORAMA DATA HIGHLIGHTS

79% of students perceive a strong social connection between teachers and students within and beyond the classroom

79% of students feel supported by the adults at Austin Elementary

71% of students perceive excitement from their teachers while learning in the classroom

Based on Spring 2023 School Survey Data

GOALS

- Empower students to use their own voice to invest in their learning by designing enriching lessons to ensure students reach their highest potential.
- Encourage students to ask questions that will positively impact their community.
- Build relationships and collaborate with parents, community, and students to acknowledge and value individuality and choice.
- Build our brand by building long-lasting relationships with community organizations to empower students to be active and well-rounded members of their community.
- Secure and retain staff that supports one another and is receptive to professional learning in order to promote student growth and empowerment.
- Maintain fiscal responsibility in order to maintain/implement for the current and future needs of our school, in order to fulfill the mission, vision, beliefs, and goals of the school.
- Provide an environment that makes each child and family feel cherished, secured, and connected both to staff and one another.

COMMUNITY-BASED ACCOUNTABILITY REPORT

CLUBS & ORGANIZATIONS

Austin Job Board - Leadership Roles

Student jobs help to create a sense of community, practice responsibility, and encourage leadership. Students in the 3rd, 4th, and 5th grade have the opportunity to apply and interview for the job that interests them. Leadership roles include:

- Substitute Greeter
- Project Sunshine
- Groundskeeper
- KBARK News
- Library
- STEM Playground
- Courtyard
- Lost & Found
- Breakfast
- Flags

Student Council

Students in the 3rd, 4th, and 5th grade have the opportunity to serve as a member on the student council. Students are elected into roles such as president, vice president, secretary, and grade-level representatives. Student council develops leadership skills by organizing and carrying out school activities and service projects.
