VISION

A community of learners that is safe, resilient, and values everyone as unique individuals

MISSION

To engage all students in a relevant inspiring education that produces future ready graduates

GOALS

- Exhibit a growth mindset
- Engage students in meaningful high levels of learning
- Build and maintain positive relationships
- Foster parent and community involvement

ABOUT US

Nestled in a quiet neighborhood across the street from the entrance to Goodfellow Air Force Base, Glenmore Elementary Jets are a community of learners who celebrate each other's growth through encouragement, pride and integrity. Glenmore Elementary has a unique connection, partnership, and deeply rooted history with Goodfellow Air Force Base and has been serving our military students since Goodfellow opened in 1940, prior to Glenmore becoming an official San Angelo ISD campus in 1949. We are a campus that serves PK - 5th grade students and embraces and values everyone as unique individuals with different perspectives, experiences and ideas.
