ABOUT US

Goliad Elementary, home of the Eagles, has been educating students on the northside of San Angelo for more than 50 years. At Goliad we take a lot of pride in building a strong community with all of our families. One of the things we are most proud of is being a Capturing Kids' Hearts National Showcase campus for the past four years. Capturing Kids' Hearts is an approach of building relationships within our staff and most importantly our students.
