ABOUT US

Lamar Elementary is the newest elementary campus in San Angelo ISD, opening its doors in 2004. Lamar serves about 545 students in grades K-5. Our goal is to support each child socially, emotionally, behaviorally, and academically. We strive to empower our students through creating student leadership opportunities and building relationships that encourage learning. Our hope is that with our working relationship with our parents, staff, and community members we will provide a meaningful educational experience for all our students.
