COMMUNITY-BASED ACCOUNTABILITY REPORT

ABOUT US

Lone Star Middle School is a vibrant educational community located in the heart of San Angelo, Texas. Established in 1949, our school has a rich history of providing quality education to students in grades six through eight. At Lone Star Middle School, we are dedicated to fostering a positive and nurturing environment where every student feels valued and empowered. With a population of around 900 students and a staff of approximately 100 dedicated professionals, we strive to create a close-knit community that promotes academic excellence, personal growth, and a strong sense of school pride. We believe in the power of student voice and ownership. Our students are encouraged to actively participate in shaping their educational experience, cultivating a sense of responsibility and engagement in their learning journey. We value the diverse perspectives and ideas that each student brings to our campus, recognizing that their unique contributions enrich our school community.

Achievement is at the core of our mission. Through rigorous and comprehensive curricula, our dedicated faculty and staff provide the necessary support and resources to empower students to reach their full potential. We foster a love for learning, critical thinking, collaboration, and problem-solving skills that will prepare our students for future success, both academically and personally.
