PARENT INVOLVEMENT OPPORTUNITIES

At Reagan, we value the partnership with our parents and families! We love and encourage parents and families to be a part of the many events we host throughout the year; Meet the Teacher, Open house, STEM Night, Grandparents Breakfast, Parents and Pastries, Fall Festival, Holiday of Learning, Sign Around the Tree, Dr. Seuss Read Day, and Cinco De Mayo.

We also offer English classes for parents and families. Elizabeth Garza, our former Reagan counselor, strives to continue to support the students and families at Reagan. Through weekly English classes she empowers parents to learn and speak English, while continuing to foster their Native Language.

Parental involvement is always welcome at Reagan. We love for our families to support and interact with our students. If you would like to be a volunteer supporting the events we host each year, please complete the Volunteer Application using the following link <https://www.saisd.org/vips>. To apply, you must be 18 years of age and complete the process of a criminal background check.
