

Back-to-School Supplies

We look forward to welcoming children back to school! The following information will help your child be prepared to return to school. All items need to be labeled with your child's name and can be brought on the first day of school. Teachers will also send classroom specific needs closer to the start of the school.

A note about clothing and shoes: Please help your child choose items that are practical and comfortable for the classroom as well as being outside during the day. Clothing with pop culture characters or shoes that light can prove distracting to your child and those around them. Please also be thoughtful of the weather. Children have the freedom to be inside and outside of their classrooms if they are dressed appropriately.
