

DESTRUCTION OF SPECIAL EDUCATION RECORDS

The Gregg County Special Education SSA proposes to destroy Special Education records of students who have moved from the district, graduated, or exited the program from Sabine ISD, Spring Hill ISD, or White Oak ISD within the 2016-2017 school year. It is advised that these records may be needed by the student or their parents for future purposes. Parents of students under 18 years of age or adult students with records on file should contact the Special Education Office at 903-984-4416 or send a written request to: Gregg Co. Sp. Ed. SSA, 5303 Old Hwy. 135N, Gladewater, TX, 75662, by May 21, 2022. This purge of records is in keeping with the Texas Education Agency guidelines which require school districts to keep records for a period of five+ years.
