

Student athletes are expected to travel with the team to and from an athletic contest with the team on the NBAS team bus. The coach may require student athletes to ride together on the team bus as part of the athletic program.

Exception: Student must have the prior approval of the Athletic Director (AD) if they are not riding the bus to or from an athletic event. The coach must personally release the student to the pre-approved adult after the game. With the AD's approval, a student may travel with their pre-approved adult if there is advance consent provided, in writing, prior to the trip. Student athletes will not be released to another student for transportation.
