

DISTRIBUTION/POSTING OF PROMOTIONAL LITERATURE

Requests for the distribution of promotional literature must be approved by the Superintendent through the Peach Jar online platform. In an effort to reduce the amount of literature being distributed via our students, only information regarding school activities and events for non-profit organizations will be considered/disseminated. Requests requiring fees of any sort will not be approved. No paper flyers will be distributed to staff and/or students. Political materials cannot be distributed at district events.
