

Dakota Hills Middle School

Locker Room, Locker and Lock Information

DHMS students may only put a lock onto the smaller/square “box lockers” in the locker room.

The larger, vertical lockers are for short-term (1 hour) use by students, EHS sports teams, clubs, or community education groups. These larger lockers must remain available from hour-to-hour and day-to-day for users of the locker rooms

Any lock left on a full-size (vertical) locker may be cut-off without notice.
