 **McCALLIE**
TORNADO CLUB

2023-2024

Athletics at McCallie School play an important role in the school's mission, which partly says to aid in the physical development of the boy. Coaches also have a big impact in a student's life.

At McCallie, coaches can also serve as teachers, dorm heads, advisors, and mentors. Needless to say, athletics at McCallie are a large component of student and campus life.

Athletics also fit in well in the community. And that is where you can be involved – by supporting McCallie Athletics and joining the McCallie Tornado Club.

The McCallie Tornado Club contributes to the Athletics program's success. And there have been many successes over the past several years. For those new to the McCallie community, the Tornado Club is the athletics booster club which exists to provide encouragement, promotion, and financial assistance to the entire athletics program through membership, game attendance, involvement, and volunteerism.

The Tornado Club, one of the school's most active and social organizations, impacts the entire athletics program and all teams – nearly 800 McCallie Middle and Upper School athletes. The benefits allow you and your family the opportunity to be part of a special group who have a passion for Blue Tornado Athletics and have a desire for the successes to continue on the fields, courts, and pools.

Five membership levels offer a variety of benefits for Blue Tornado supporters. Please consider joining the McCallie Tornado Club, getting involved in the school community, and volunteering your time at our various events. Please note – some benefit levels have an increase in price.

Thank you and Go Big Blue!

Kenny Sholl, Executive Athletic Director
Jeff Romero, Dean of Athletics
