5th/6th Grade Science Position

NO TEACHING CERTIFICATION REQUIRED

Academy Prep Center of St. Petersburg, a stand-alone, private Middle School serving students qualifying for need-based scholarships, currently seeks a 5th and 6th grade English Teacher. The position would entail:

- Teaching 4 core academic classes per year (two classes of 5th grade Science and 2 classes of 6th grade Science).
- Supervising daily study halls
- Leading or supervising enrichment activities
- Leading a morning homeroom and assisting with daily dismissal

Academy Prep is a unique school where research-driven teaching and learning is a hallmark, and our teachers are empowered to employ a culturally responsive curriculum that makes every subject tangible and meaningful for our scholars.

We seek teachers with a heart for our mission, a desire to grow professionally, and a willingness to join a small school where every person’s efforts are truly essential to the ultimate success of our scholars. Academy Prep is committed to supporting our teachers and thus offers:

- Very competitive salary
- Individual Health Care coverage (dependant coverage is also available for additional cost)
- Optional 401(k) match up to 5%
- Professional development opportunities on- and off-campus

Candidates for this position must hold a Bachelor’s degree in a related subject and experience working with children. Science teaching experience is required.

If you would like to be part of a school that truly transforms the lives of our scholars and their families, please send your resume and cover letter to:
