

CSDE x FinTron Summer Enrichment Challenge (July 17 - August 31)

It's **Summer 2023** - you're in the comfort of your home (or perhaps a summer enrichment program), and you've just been invited to participate in the **largest CSDE X FinTron Summer Enrichment Challenge** - an interactive, fully outfitted simulated stock market game, wherein you'll be granted \$100,000 in simulated cash to invest in over 2,000 "stocks" and "ETFs". You, yes you, can compete against rival schools, and participants in an exhilarating summer-long challenge. The individual or team that achieves the highest investment gain by the end of the summer will be awarded the prestigious grand scholarship prize!

Program Benefits

Experiential - simulated investing, interactive budgeting tools, research capabilities, and a personalized resume builder - drive home content retention through incentivizing features.

Connected Fields of Study - Stimulate critical thinking, creativity, and problem-solving by breaking down traditional barriers and opening doors to holistic learning methods.

An Emphasis on Relevancy - With over 1,000 engaging modules updated monthly, we provide best-in-class content in bite-sized pieces, making student engagement that much easier

Dual Enrollment Qualified - Expose accredited courses and provide students the opportunity to attain tangible credits toward their future academic journeys.
