SOUTH ST. PAUL COMMUNITY LEARNING CENTER

# STUDENT GUIDEBOOK

2023-2024

July 2023

Dear South St. Paul Community Learning Center Families,

We are excited for the upcoming school year and for the chance to work with you and your student. At the South St. Paul Community Learning Center we believe that all students can learn and create a plan for their next steps with the support of the team around them. Families, staff, and resources help to make up a team that helps guide that belief.

We will be working together to create/adjust the Continued Learning Plan for your student. We will continue to offer opportunities to learn about post-secondary opportunities and participate in community service/service learning. Students will discover how they learn best and have an opportunity to guide their education path. Students will have access to hands-on learning that will introduce and reinforce learning that they can take with them outside of the classroom.

We look forward to teaming with you and working with your student.

Sincerely,

The SSP Community Learning Center Staff  
710 19th Ave. North

### **OR**

A note from the parent/guardian accompanies the student upon his/her return to school.

### **ATTENDANCE INFORMATION: PHILOSOPHY**

The South St. Paul School District believes that regular school attendance directly relates to success in academic work, benefits students socially, provides opportunity for important communication between teacher and student and establishes regular habits of dependability important to the future of the student. The following attendance procedures are intended to be positive and not punitive. These procedures also recognize that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher and administrators. While parents have the authority to remove their students from school at any time and for any reason that they choose, the school has the responsibility, under state law, to determine whether the absence is excused, and if not, to take corrective action, including disciplinary consequences.

When students are to be absent from school for all or part of the school day or when students must leave school for an appointment, parents/guardians must call or notify the school on the day of the absence or earlier at (651) 457-9666. If the school does not receive a call or note within 24 hours of the absence, the absence will automatically become an unexcused absence.

There are two exceptions to this policy:

- a. Students may leave school if they are enrolled in one of the approved work experience programs, community service or Post-Secondary Option Programs.
- b. Special permission to leave school can be granted by the Administration and Student Support . All other absences will be dealt with accordingly. Please make doctor, dentist, or other appointments on non-school time, whenever possible.

When a student becomes ill during the school day, he/she must report to the nurse's office. Students must not leave the building when ill without checking with the office. If this procedure is not followed, the student will be considered unexcused.

Any student who exceeds seven (7) unexcused absences in any class period could be placed on non-credit status. Prior to loss of credit an administrative conference must be held among the principal, student, parent and teacher if applicable. There will be an appeals process to review the absences for any unusual circumstances and to document absences for doctor or other specialist visits. An appeals process is in place for students/parents/guardians that feel extenuating circumstances should be considered prior to denying credit. The appeals group will consist of teachers and an administrator. A good practice to follow is to ask for notes from your doctor, dentist, etc. at the time of any appointment for future documentation. Special exceptions will be made for students with serious injuries, long term illnesses, family emergencies, or school approved absences.

### **THE APPEAL PROCESS**

At the end of the trimester, a student who is passing a course but has lost credit due to truancy will have the option to appeal the loss of credit. Appeal hearings will be scheduled during the last days of the trimester. The attendance appeals committee shall consist of a designated administrator, and teacher representatives. The student appealing the loss of credit is required to attend the hearing. If he/she does not appear for the hearing, the student will lose credit for the course. Parent(s)/guardian(s) may attend.

### **SCHOOL PROCEDURES**

1. The secondary building has implemented an automated attendance alert calling system. This system will automatically place two phone calls to the parents/guardians, one in the morning and one in the evening, to notify them of their child's absence regardless if the absence has been phoned in or not.
2. All absences are considered unexcused until verification can be made.  
NOTE - When checking your student's attendance online, please realize that the attendance will appear as unexcused until the student returns to school with a parent/guardian note.

### **APPROVED ABSENCES**

#### **PRE APPROVED ABSENCES**

Absences for family trips need to be pre-approved by a written application to the Attendance Office by the parent/guardian.

### **EXCUSED AND UNEXCUSED ABSENCES**

When a student is absent from class, the student is expected to complete missed work and assignments. The MAKE-UP WORK POLICY applies to any absence. Students will have an equal amount of time to turn in make-up work as the time absent. For example, for a one-day absence, the student will have one day to turn in make-up work. Any work not completed within this period shall result in No Credit (NC) for the missed assignment.

#### **EXCUSED ABSENCE DEFINITION**

Excused absences fall under these categories:

1. Family emergencies (serious family illness, injury or death)
2. Medical appointments (the school reserves the right to verify)
3. Student illness
4. School approved activities
5. Required court appointments
6. Pre-approved absences by the administration including family vacations
7. Religious holidays or religious release time
8. Suspension
9. College Fair

## **UNEXCUSED ABSENCES**

All absences not authorized by the parent/guardian or the school.

## **UNEXCUSED ABSENCE DEFINITION**

Unexcused absences fall under these categories:

- |                          |  |
|--------------------------|--|
| Miss the bus/car trouble | Skipping a class/leaving the building without a pass |
| Oversleeping             | Senior pictures                                      |
| Babysitting              | Tournaments not approved by the Activities Office    |
| Running an errand        | Parent not calling in for the student                |
| Jobs outside of school   |  |

## **CONSEQUENCES OF UNEXCUSED ABSENCES**

When a child age 12-17 reaches seven or more unexcused absences, it is considered truancy.

Definition of truancy: A "habitual truant" could be:

- A middle school, junior high or high school student under age 17 who is absent from attendance at school without lawful excuses for seven school days per school year or one more class periods on seven days per school year.
- A 17-year-old who is absent from attendance at school without lawful excuses for seven school days per school year or one more class period on seven school days per school year and who has not lawfully withdrawn from school with their parent's permission.

The school is required to make a referral to the Dakota County Truancy Reduction Program.

- Schools are required to notify parents when a child has three unexcused absences.
- Schools schedule a meeting with the child and parent to discuss the child's school attendance and academic performance prior to a child reaching seven unexcused absences.
- After seven unexcused absences the school will make a Truancy Referral.

## **TARDIES**

Definition: If a student is not IN the classroom and prepared to begin class at the designated start time for the class, the student is tardy.

## **TARDINESS**

South St. Paul Community Learning Center does not use a bell system. Students are required to keep track of time and are considered tardy if they are not in the classroom when the class period begins. Students are always expected to report to class no matter how much time is remaining in the class period.

It is the student's responsibility to apply and register to the college that they wish to attend. All courses must be pre-approved by South St. Paul Schools. Any courses dropped after ten days from the course's start date will result in a failing grade on student's high school transcript and follows the institution's policy on their college transcript.

All credit earned will factor in the student's GPA and class rank.

Students attending college under Post-Secondary Enrollment Options are eligible to participate in extracurricular activities. South St. Paul Secondary eligibility rules apply. See the main office for all other information regarding this option.

### **CAMPS, SPECIAL PROGRAMS, ONLINE LEARNING, ETC.**

All credits must be earned from an accredited agency outside of South St. Paul. All courses must be pre-approved by South St. Paul Schools upon registration. The amount of credit that transfers back is determined by South St. Paul Schools. It is the student's responsibility to provide information about the program and credits to the Secondary building.

## **SPECIAL EDUCATION SERVICES**

Children with disabilities are eligible for special education and related services from birth to age 21 as defined in federal law, P.L. 101-476, Individuals with Disabilities Education Act (IDEA) and Minnesota State Board of Education Rules, Chapter 3525.0200. Parent(s)/guardian(s) can expect their referral to be processed by the Child Study team in a timely manner and according to due process requirements. Contact the Director of Special Services, (651) 457- 9466 for further information and assistance.

## **HOME SCHOOLING**

The South St. Paul Public School District recognizes the right of the parent(s)/guardian(s) to decide the appropriate educational setting for their child. This may include the option of homeschooling. Homeschooling is an option for the parent(s)/guardian(s) to be the sole provider of the education of their child in all subjects. The only situation where an exception would be made is if a parent(s) /guardian(s) object, for religious reasons, to the course content in a health education class. In this case, health education could be taught as a single home schooled course, with all other courses taken at the school. In choosing this option, the parent(s)/guardian(s) are responsible for meeting the requirements as prescribed by the State of Minnesota. If you are interested in this option, a complete packet is available from the district office.

## **REGISTRATION AND SCHEDULES**

### **WITHDRAWALS**

Any parent planning to withdraw their student from school for any reason must meet with a building administrator before the last day of attendance. The student will be given a check-out form that must be completed before he/she leaves the building. An official transcript will be mailed upon request to the school to which the student is transferring after completion of the withdrawal form.

## **GRADING AND ACHIEVEMENT**

NC= No Credit Given

NG = No Grade Given

P = Pass – Indicates work that meets minimum requirements

I = Incomplete – Indicates the pupil has time to make up incomplete work (two weeks from the end of the marking period). Failure to do so will result in an “F”.

### **SCHOLARSHIPS**

Each year during the first part of May, scholarships are awarded to graduating seniors at the Honors and Awards Banquet by the South St. Paul Educational Foundation. All necessary forms for applying for these scholarships and any questions regarding the scholarships can be answered by the Educational Foundation at (651) 457-9440. The application process begins in February.

## GRADING OPTIONS

### INCOMPLETES

An incomplete (I) mark can be given if a student has been absent(excused) for an extended period of time and if there is reason to believe the student will make up the work. Incompletes must be completed within **two weeks** after the end of the grading period to get credit for the course. If not, the incomplete automatically becomes an “F”.

### PASS/No Grade

Graduation credit will be given but the Pass/No Grade grade will not be used to determine class rank or G.P.A.

## GRADUATION

### GRADUATION

A senior student must earn a minimum of 65 credits in order to receive a diploma from South St. Paul Schools. The Board of Education allows seniors to participate in the South St. Paul Secondary ceremony if he/she has earned 63 credits by the end of the students natural graduation school year. Students may choose to participate in the Community Learning Center Graduation if they have 61 credits and a plan with administration/student support to complete the remaining credits. It is the district’s expectation and the student’s obligation to have a pre-approved plan to complete missing credits by the end of the summer. This plan must be presented to administration/student support. Students should have a meeting with their administration/student support to develop a plan for completion of credits on or before August of the graduation year.

If a senior student prefers **not** to be a part of the commencement exercises, they must notify their assistant principal four weeks before graduation. The senior would receive their diploma after commencement. Participation in the commencement ceremony is a privilege. Violating school policies may result in the elimination of the privilege to participate in some or all of the commencement ceremonies. Decisions related to student participation and/or inclusion in commencement will include the superintendent and site administration.

## **Actions Subject to Discipline and Guidelines**

### **MISBEHAVIORS AND CONSEQUENCES**

#### **South Saint Paul Students – Standards of Conduct**

Discipline should not be confused with punishment. The goal of discipline is a self-disciplined individual, with mature attitudes and socially acceptable standards of conduct. Disciplinary policies within the secondary building shall be enforced within general guidelines. The MAXIMUM administrative actions are expulsion and exclusion.

**For more information regarding Actions Subject to Discipline and Guidelines**

**please refer to the 2023-2024 Student Rights and Responsibilities handbook.**

It is the policy of the South St. Paul School District to provide a safe learning environment for all students. If a student violates a rule or provision in this Student Handbook, School Board Policy Number 523, or any other School District rule or policy, discipline may be imposed. The listing of consequences for offenses below is meant to be a guideline and does not imply or require that the minimum be used before a more severe consequence is imposed. Depending on the nature and severity of the violation, the administrator may choose a more severe consequence.

#### **DISCIPLINARY ACTION MAY INCLUDE, BUT IS NOT LIMITED TO THE FOLLOWING:**

- Meeting with the student
- Meeting with the teacher and administration
- Meeting with coach, activities director and administration
- Loss of school privileges
- Schedule adjustment
- Modified school programs
- Financial restitution
- Referral to police or appropriate authorities
- Removal from class

#### **SUSPENSION**

The administration has the option of suspending a student for serious infractions of school rules. Violation of this may result in the administration contacting the South St. Paul Police Department and charging the student(s) with trespassing.

#### **EXPULSION**

Expulsion normally occurs after other disciplinary interventions have failed. A student may be expelled from regular school attendance following an appropriate school board hearing. Expulsion procedures shall include written notification of the hearing, a statement of the charges to be proved, the right to legal counsel, and receipt of a written copy of the findings and decision. Expulsion proceedings can take place upon the student's actions or behavior which undermine good school order; actions which pose a threat to the general welfare of the school; conduct which threatens or violates the physical or emotional well-being and safety of other students or school personnel; actions which constitute flagrant disobedience, insolence or insubordination in direct defiance of reasonable rules and regulations; and actions which deprive other students of an opportunity to

pursue their own education. An expulsion from school may be imposed by the school board upon the recommendation of the principal or superintendent for a period or more than ten days up to one full academic year. Hearings will be conducted in accordance with the Minnesota Pupil Fair Dismissal Act

In accordance with the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40 through 121A.56, a student may be excluded or expelled from school for any of the following grounds:

1. Willful violation of any reasonable school board regulation. Such regulation must be clear and definite to provide notice to pupils that they must conform their conduct to its requirements;
2. Willful conduct that significantly disrupts the rights of others to an education, or the ability of school personnel to perform their duties, or school sponsored extracurricular activities; or
3. Willful conduct that endangers the pupil or other pupils, or surrounding persons, including school district employees, or property of the school.

**TENNESSEN WARNING** -When students commit an offense that will result in a disciplinary action or exclusion or expulsion, students are not legally required to provide any information during the interview. The purpose of the interview is to find out the facts and impose proper discipline. Information provided is expected to be accurate. Information received during the investigation may be used to inform parents/guardians, MSHSL, police or other necessary authorities.

For devices furnished to students by the school district, the cost of repairs for damaged, lost or stolen devices must be paid by the student to whom the device was checked out.
