

NOTICE OF ADOPTION OF PRELIMINARY DETERMINATION

Notice is hereby given pursuant to Indiana Code § 6-1.1-20-3.5 that the Board of School Trustees (the "Board") of Hamilton Southeastern Schools (the "School Corporation") did, on July 26, 2023, make a preliminary determination to issue bonds for the (i) deferred maintenance throughout the School Corporation including HVAC, MEP, site, athletics, and roofing improvements, (ii) purchase of equipment including radio equipment, solar equipment, exterior equipment, furniture, and technology hardware, and (iii) purchase of school buses (collectively, the "2023 GO Projects"). The bonds will have a maximum maturity of three (3) years, a maximum principal amount of \$35,000,000 and estimated interest rates ranging from 1.00% to 6.00%, resulting in total estimated interest costs of \$2,300,000.

As required by Indiana Code § 6-1.1-20-3.5(b)(1), the following information was available to the public at the public hearings on the preliminary determination: (i) the School Corporation's current and projected annual debt service payments divided by the net assessed value of taxable property within the School Corporation, which is 5.57%; and (ii) the sum of the School Corporation's outstanding long term debt plus the outstanding long term debt of other taxing units that include any other territory of the School Corporation divided by the net assessed value of taxable property within the School Corporation, which is 0.61%.

The School Corporation's current debt service levy is \$59,715,366 and the current rate is \$0.5827. After the School Corporation the bonds are issued, the gross debt service levy will increase by a maximum of \$35,000,000 and the gross debt service rate will increase by a maximum of \$0.3725. However, as existing obligations mature, there is no anticipated net increase to the Debt Service Fund tax rate above the current rate.

The estimated amount of the School Corporation's debt service levy and rate that will result during the following ten years if the School Corporation enters into the lease and issues the

bonds, after considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period, is as follows:

<u>Year</u>	<u>Estimated Total Debt Levy</u>	<u>Estimated Total Debt Rate</u>
2023	59,715,366	0.5827
