

SCHEDULING SENIOR PORTRAITS AT PRESTIGE

A step-by-step guide and
answering common questions.

FIRST OFF...WHY?

- Fishers High School has a contract with Prestige Photography that they will take our senior photos to be included in the Yearbook. **This is separate from the Lifetouch ID photos that are taken at the beginning of the year.**
- Only Prestige photos of seniors will be in the yearbook.
- Due to strict deadlines with our yearbook company, Jostens, you must have your portraits taken between **June 13th and October 20th** at the studio in order to be included in this year's yearbook.
- There will be one "clean up" date at the High School on **Saturday, November 11th** where any senior not photographed can get their photo taken. This is the absolute last opportunity.
- **No photos taken after this time will be included in the yearbook.**

COST

- In our agreement, Prestige gives each student \$10 off their choice of package if photographed before **September 1**. There are four packages available to students with increasing cost.
- Basic \$10 (free with our \$10 off) is one outfit. This is recommended for those just needing a simple yearbook portrait.
- Standard \$20 (\$10 with our \$10 off) is two outfits. This is recommended for those who would like a couple of different options.
- The Deluxe (\$30, \$20 with \$10 off) and Ultimate (\$40, \$30 with \$10 off) provide more outfits and options. Recommended for those who would like to take commemorative photos of their senior.

REQUIREMENTS

- Dress-Code: Nice blouse, sweater or dress (upper arms & shoulders must be covered); Collared shirt & tie (jacket preferred but optional)
- Blue background: Our school uses a blue "cloudy" background. While other backgrounds are on offer by the studio, make sure that you have one taken on the blue background for your yearbook entry.
- Selecting your photo through the Prestige portal: After your photo is taken by Prestige, you will receive an email from them to "select your pose". This allows you to select which photo you would like in the yearbook.
- Failure to select a photo prior to the October 20th deadline will mean that a photo is chosen for you by yearbook staff. Additionally, failure to select a photo on the correct background or one that is school appropriate will also result in a different photo chosen for you by yearbook staff or your omission from the yearbook entirely.

CLEAN-UP DAY AT THE SCHOOL

- One "clean up" day will be offered at the school on **Saturday, November 11th**. Details are in progress so please stay up to date with the communications sent out by the school regarding this.
- Because Prestige will be coming to the school, they charge a \$10 sitting fee for each student who get their photo taken this day. This \$10 is to cover the cost of moving the equipment, hiring their photographers, etc. Students must pay this \$10 on the day.
- This is the absolute last opportunity to have your photo in the yearbook. No photos past this opportunity will be accepted by the school.

Here is where you choose your package. Select which one(s) you would like, then choose "confirm selections". Here I have only selected the "Basic Session" because I know this will be free, and I just want a simple photo taken for my yearbook.
