VISION

Building a better community

MISSION

Work together to foster a community of pride to grow individuals of
character and lifelong success

ABOUT US

Lake View High School is the pride of the North Side! Lake View is home to the Chiefs and the Maidens, serving over 1,000 students ranging from 9th to 12th grade. We pride ourselves on building a better community and culture with our students and families and we provide a place for students to call home. We fully value all student's individual aspirations and take pride in helping them prepare for a future of their dreams. We develop these hopes and dreams by building genuine relationships with our students and offering robust academics, organizations, and opportunities. We have award-winning programs including mariachi, powerlifting, and more. Welcome to the North Side!
