Arrival Procedures

IF YOUR CHILD IS NOT EATING BREAKFAST DO NOT DROP OFF BEFORE 9:00. Breakfast will begin at 8:45 in the cafeteria. We will start unloading cars at 8:45. **If your child is not eating breakfast, please do not come through the car rider line until 9:00 due to limited space and supervision in the building.** All Cars Riders dropping off students will enter through the front parking lot. Children are not to exit the cars until they arrive at the designated unloading zone. Please stay in the car and have your child ready to exit the car as soon as they get to the unloading zone. We will have staff ready to help your child exit the car if needed. Students riding a bus or daycare van will be dropped off in back parking lot of the school. If your child is walking and not eating breakfast, we encourage them not to arrive before 9:00. Students must be in class and ready to learn at 9:15 and will be counted tardy after this time. Please note, two tardies will equal one absence.

Dismissal procedures

At 3:40 bus/daycare/car riders will be called from their classrooms using the Safe Dismissal process. Car rider pick up will be in the front of the building for ALL STUDENTS. Cars will enter the front parking lot and be in double lanes to ensure that traffic congestion stays to a minimum. Parents should not exit their vehicles; students will be walked to your car. In order to ensure student safety all cars must have an **ORANGE pre-printed car rider tag in their vehicle to pick up their child**. Two tags will be provided on Back to School Night. Additional copies must be requested through the front office. Every vehicle that could pick up your child will need one of these tags to place on the dashboard or hang with a hanger from rearview mirror.

If a vehicle comes to pick up your child that does not have an ORANGE tag, that person must park in the front of the building and come to the office to verify their identity before a student will be released to them. At 3:46, all walkers will be dismissed from their classrooms.

If there is a change in your child's way home, please notify the office by 3:15pm. This allows our secretaries to enter the exceptions into Safe Dismissal before the end of day.

DO NOT inform the teacher by email or other communication.

YOU MUST CALL THE OFFICE.

When we all work together as a team, so much can be accomplished. I am looking forward to working with all of you so that we can provide your child with the best education and overall school experience possible. Please let me know if you have any questions or concerns.

Respectfully,

Tammy Robinson
