SCHOOL DISTRICT**

# AGRICULTURE & ENVIRONMENTAL SCIENCE

The Agricultural & Environmental Science Pathway is a good program for students interested in the study and care of plants, animals and the environment.

---

## STUDENTS CAN...

- Grow and maintain plants in a working greenhouse facility.
- Learn and apply common veterinary skills, clinical procedures and practices.
- Learn about the wide range of careers within the Agricultural and Environmental Science industries.
- Earn college credits which can be applied directly into partner college programs.
- Meet 3rd Year Science requirements in some classes.

## THIS PATHWAY IS A GREAT FIT FOR STUDENTS WHO...

- Get satisfaction from helping people, animals and/or the environment.
- Enjoy dealing with unpredictable situations or problems that aren't easily solved.
- Like listening and working with others who have differing viewpoints.
