COMPUTER SCIENCE

The Computer Science and Engineering Pathway is a good program for students interested in using math, science and technology to solve problems.

STUDENTS CAN...

- Use tools, software and equipment used in the Engineering and Computer Science field.
- Participate in skill challenges through First Robotics or Skills USA clubs.
- Earn college credits which can be applied directly into partner college programs.
- Meet Art, 3rd Year Math and/or Science requirements for select courses.

THIS PATHWAY IS A GREAT FIT FOR STUDENTS WHO...

- Are curious and desire to figure out why and how things work.
- Enjoy using math, science and technology to solve problems and improve their world.
- Enjoy designing and building things.
- Enjoy developing and analyzing various solutions to problems.
- Are interested in continuing their education in Engineering, Computer Science or other related STEM fields.
