

BRIDGING ACADEMICS + CAREER

AEROSPACE MANUFACTURING

SUMNER-BONNEY LAKE
SCHOOL DISTRICT

AEROSPACE MANUFACTURING

The Aerospace Manufacturing pathway is a good program for students interested in high demand, high wage jobs in the Manufacturing industry.

STUDENTS CAN...

- Obtain Core Plus certification using the Boeing Company's manufacturing curriculum.
- Interview with Boeing for entry-level jobs and internships.
- Earn college credits which can be applied directly into partner college programs.
- Meet 3rd year Science requirements.

THIS PATHWAY IS A GREAT FIT FOR STUDENTS WHO...

- Enjoy projects where they work with their hands and use tools.
- Enjoy learning by designing, assembling and fixing things.
- Feel comfortable in a shop environment.
- Have an attention to detail and precision in their work.
- Are interested in getting a manufacturing or construction job right after high school or continuing education in engineering.
