

BRIDGING ACADEMICS + CAREER

ENGINEERING

SUMNER-BONNEY LAKE
SCHOOL DISTRICT

ENGINEERING

The Engineering pathway is a good program for students interested in using math, science and technology to solve problems.

STUDENTS CAN...

- Use tools, software and equipment used in the Engineering and Architectural fields.
- Earn Autodesk Certification.
- Participate in regional, state, national and international design competitions.
- Earn college credits which can be applied directly into partner college programs.
- Meet Art or Science requirements in some classes.

THIS PATHWAY IS A GREAT FIT FOR STUDENTS WHO...

- Are curious and desire to figure out why and how things work.
- Enjoy using math, science and technology to solve problems and improve their world.
- Enjoy designing and building things.
- Enjoy developing and analyzing various solutions to problems.
- Are interested in continuing their education in Engineering, Architecture, Computer Science or other related STEM fields.
