

BRIDGING ACADEMICS + CAREER

PROGRAM-SPECIFIC ADVISORY COUNCILS

**SUMNER-BONNEY LAKE
SCHOOL DISTRICT**

PROGRAM-SPECIFIC ADVISORY COUNCILS

Program-Specific Advisory Councils (PSAC) provide direction and guidance to administrators and teachers for a specific Career & Technical Education program.

RESPONSIBILITIES

- Provide information to update, modify, expand, and improve the quality of CTE programs.
- Support and strengthen the partnerships with business, labor, the community, and education.
- Make recommendations that will strengthen and expand the CTE curriculum, and provide assistance in implementing these recommendations.
- Identify and validate academic and occupational competencies, determine priorities, and review and evaluate programs.
- Communicate long-term goals and objectives of the CTE programs to students, families, employers, and the community.

TIME COMMITMENT

PSACs usually meet for one or two hours per quarter in the late afternoon or evening; after school and when industry partners are available.

PSAC members also engage in additional activities such as serving as guest speakers in classrooms, participating in mock interviews, hosting job shadows, attending student recruitment events, helping students prepare for competitions, and more.
