

# **SUPERINTENDENT'S REPORT**

## **February 13, 2023**

- MSBA Board Report Video: The February report reviews the Governor's State of the State Address regarding educational issues and the importance of Board members being informed about legislative issues. Reminders about the Legislative Advocacy Day on March 28 and School Board Recognition Month in March are also covered. The Parent Day of Action was also reviewed by the report.
- First Student Transportation Management Presentation
- Instructional Coach Survey Review
- Legislative Update
