

Bright Futures Holden
Board Report
January 2022–January 2023

We want every student to have the basics...

A single mother and her elementary-aged son are living on little income. She works hard to provide what he needs, but sometimes it is difficult. She brought him to the Hub, needing just two things—warm boots and a warm coat. We were able to find exactly what he needed within minutes. He was so excited.

EVERY CHILD
deserves a Bright
Future!

A family struggling to provide basic needs for their students was suddenly faced with new challenges. We have been able to help and provide ongoing support...even through the holidays
