

Bright Futures Holden
Board Report
January 2021–December 2021

We want every student to have the basics...

A student came here with almost nothing. We were able to provide her with a backpack, supplies, and some clothing/Eagle wear. I believe this made a big difference on her first day...

EVERY CHILD
deserves a Bright
Future!

An older student, basically on her own, needed resources of all sorts. We were even able to arrange transportation for medical visits...

Snacks To Go

Student volunteers help with bagging!

This year, we have been able to distribute take-home food bags to middle and high school students on Fridays. This program, started in Spring 2021, is funded through community donations. We are thankful to be able to provide this resource to our students!
