Greenhouse Sale

Students in the Greenhouse Operations & Management class learn to start plants from cuttings, seeds, grafts, and layering. Through this experience they develop a basic understanding of greenhouse techniques. With a month of growth already under their belt, plants produced from this class will be ready for sale soon. Shop the greenhouse, located behind Holden High School Friday, April 29 from 4:00-7:00pm & Saturday, April 30 from 9:00am-2:00pm. Follow Holden FFA on Facebook for plants available, photos, and updates. <https://www.facebook.com/holdenffa>

The elementary is gearing up for some hands-on fun with the return of STEAM Night and throwing in an Art Fair too Friday, April 29, 2022 from 6:00-8:00pm! STEAM stands for Science, Technology, Engineering, Art, and Mathematics. There will be various stations which encourage creativity and collaboration. Proposition FORWARD

Proposition FORWARD is a *No-Tax-Increase* Bond Issue on the April 5 ballot which, if passed, will provide capital improvement funds to the Holden R-III School District.

Holden R-III follows a long-range Facilities Plan to ensure the continued improvement and revitalization of campus buildings and grounds. Approval of the bond issue, Proposition FORWARD, would provide funding to upgrade security systems, replace remaining older HVAC units, update the playground and athletic facilities, and improve technology infrastructure. Other necessary projects would complete paving of the bus drive and remaining gravel lots on campus, restroom renovations to increase accessibility, and general maintenance such as painting and sealing of buildings.

With the support of the Holden community, we are confident that Holden R-III School District will be able to follow our long-range plan and economically address critical repairs and stay on top of regular maintenance to keep our campus a safe and innovative place to learn and grow.

For more information about this bond issue, visit <https://www.holdenschools.org/propositionforward>
