## Our Program

Pre-K classes will be housed at our current location and will be from **9:00 a.m. - 2:00 p.m.**, daily. Please, register your child if you haven't done so, by scanning the QR code below or visit our website at **[www.scec.k12.in.us/enroll](http://www.scec.k12.in.us/enroll)**

You will receive a phone call for enrollment confirmation and may need to come in for an appointment to turn in required documents. Because there are limited available seats, only students receiving a confirmation phone call will be able to attend. The slots are issued to returning students first and then on a first come first serve basis.

**First-Steps students and students with IEP's are eligible to enroll as well.**
