

Dakota Hills Middle School

Back – to- School Day (August 25th from 8 AM to 3 PM)

MyPaymentsPlus will be used to sign-up and pay for extra-curricular activities (sports, clubs, etc.). There is no service or user fee... and allows parents to go to a single website to pay for activities.

For athletics, an up-to-date sports physical must be provided to the school for your child **prior to sign-up**. Sports items in MyPaymentsPlus are disabled until a physical is submitted.

*Parents/guardians will **not** be able to register for any sport via MyPaymentsPlus until this physical is received by the nurse at DHMS.* Once received, it takes at least 24 hours for our nurse to process and then for the MyPaymentsPlus website to enable your selection(s).

Go to the DHMS website: dhms.district196.org
