

W·A·Y MICHIGAN™

Widening Advancements for Youth

Words from the Interim Director - Stacy Long

Welcome Back Parents and Students!!

We hope you have had an enjoyable and restful summer. We are excited to kick off the new school year! There has been a leadership change at WAY Michigan. Our previous director, James Middleditch, has moved on to a principal position at a school close to his home. James was a member of the WAY Program family for a number of years and his expertise and guidance will be sorely missed.

We are currently enrolling for the 2023-24 school year. We encourage you to share your WAY Michigan experiences with friends and family. Please follow our Facebook page for important information. Share our page so others can benefit from our personalized approach to education. Our website, waymichigan.net has a wealth of information. Our application can be found at way.schoolmint.net and our staff can answer any questions at 313-638-2716.

I look forward to working with you and having an amazing year

Summer School

Summer school is in session. Centric tutoring is available and we have one-on-one sessions with our office staff, please contact your researcher's mentor or team leader to schedule. Please make sure your researchers are on reaching their 0.25 credit this month and logging on to Centric five days a week. They should still be in contact with their mentor 3-5 times a week as well. If you have any questions, please reach out to your researcher's mentor or team leader.
