I hope that you are all enjoying your summer, and that you and your children have made lasting memories together as a family.

We are very excited to welcome all of our students to Walnut Creek for the 2023-2024 school year!

As we get ready to welcome our students back, we have a lot of information and important dates to share with you all. Several of the linked messages below will also be sent out by the district in the coming days/weeks, but I wanted to try to get as much information as possible in one email in an attempt to not flood your inbox.
