

# SCIENCE OLYMPICS

## FAQ Sheet

1

Q. Can my daughter be on a team with her friend(s)?

A. Yes, you can make your own teams. Each girl needs to register individually, and there is a space on the form to name the other girls on the team.

2

Q. Is my child required to register with a team?

A. No, we will gladly place your child on a team that isn't full!

3

Q. May I stay and watch?

A. We encourage you to attend the Parent Session and then join us at 11:30 am for refreshments and the Science Demonstrations and Awards Ceremony. However, based on fire code, you cannot attend the actual classroom activities as we are at capacity.

Q. Should my daughter bring lunch?

A. We will provide snacks and water. The event ends at noon so we will not be providing lunch.

4

Q. Do all of the girls on the team need to be the same age?

A. No, we have a separate category for teams with a mixture of ages.

5

Q. Is there a dress code?

A. Dress code is casual. Participants are encouraged to dress comfortably as they are doing hands-on activities in the laboratories.
