HVRSD CHROMEBOOK AGREEMENT

HVRSD is pleased to provide each Hoosac Valley Middle and High School student with a Chromebook computer and a charger for use at school and at home. Since Chromebooks play an important role in the daily educational process, it is important to establish procedures and guidelines for appropriate use. Please read the following carefully. The form must be returned, signed by both students and parent/guardians, before students can take the Chromebook home.

THE STUDENT AGREES TO:

- Know where the Chromebook is at all times.
- Take good care of the Chromebook in all locations. Avoid extreme temperatures, and keep away from food and liquids. Remain free of writing, stickers, and labels.
- Report any damage or loss, whatever the cause, to the school as soon as possible.
- Bring the chromebook to school each day, fully charged.
- Use the Chromebook for education purposes.
- Not to share passwords, or lend the Chromebook to anyone, including family members.
- Follow the RESPONSIBLE USE POLICY at home and school.

PARENTS/GUARDIANS AGREE TO:

- Ensure their child understands and practices appropriate care of the chromebook.
- Ensure that any damage or loss is reported to the school immediately.
- Reinforce the basic rules of Internet safety and support the school in monitoring appropriate use of the chromebook.
- I agree to accept financial responsibility for breakage up to the full value of the chromebook (\$238)
- Ensure the Responsible Use Policy is followed.

Parents/Guardians and Students understand that because Chromebooks are the property of HVRSD, appropriate District staff may read or look at any item on District Chromebooks, monitor student profiles, review computer activity logs, and check internet history to ensure compliance with the Responsible Use Policy.
