FISCAL YEAR 2020
ANNUAL REPORT
July 1, 2020 to June 30, 2021

BACKGROUND

Measure X is a \$239 million bond measure approved by voters on November 8, 2016, authorizing funding for the design and construction of new buildings, modernization of existing school facilities, and modern technology within the Simi Valley Unified School District ("the District"). On June 14, 2017 the District brought to market, \$70 million of Series "A" general obligation bonds, the first series to be used under the Measure X authorization, and in May of 2019 the District brought to market, \$60 million of Series "B" general obligation bonds, the second series to be used under the Measure X authorization, and in October of 2020 the District brought to market, \$60 million of Series "C" general obligation bonds, the third series to be used under the Measure X authorization. The district has received the Series "A", Series "B", and Series "C" funds, which are being utilized for implementation of Measure X projects.

As required by law, an independent Citizens' Bond Oversight Committee (CBOC) has been established to actively monitor all Measure X projects and expenditures, provide proper oversight, control and accountability to ensure that Measure X funds are used as they were intended and to report to the community at-large.

As prescribed by the CBOC bylaws, this report includes the following:

1. A summary of the Committee's proceedings and activities for the preceding fiscal year.
2. A statement indicating whether the District is in compliance with the requirements of Article XIII A, Section 1(b)(3) of the California Constitution.
