

# MID-PACIFIC FUND

Each year **PUEO PACESSETTERS** distinguish themselves as trailblazers in support of Mid-Pacific's highest priorities through the Mid-Pacific Fund. This year, we continue to elevate our students, faculty, families and our greater community through the Mid-Pacific Fund.

This essential fund is put to use right away to provide financial aid, professional development for our faculty and staff, and maintain our safe, beautiful, historic campus, while providing our students with the best student-experiences there are to offer.
