Compass CHAT Safety Focus

Please refer to the CHAT distribution to keep updated on all Compass CHAT requirements

The above trainings are a minimum requirement for all districts. Please refer to the Safety Binder and Committee Guide for an explanation of all monthly requirements. Documents, resources & links can be found on the K-12 Safety Page. Our Safety Program is designed to promote teamwork and ensure the safety of all our associates and customers. The Safety Program is overseen by your school's Safety Champion and District Safety Committee.
