The District identified the following six core principles to illustrate their values and commitment to students, staff, families, and the community as a whole. The School Board and District staff will use these principles as a guide to decision-making for the District's future.

**2021-2025:**

**All Means All:** All staff focus on success for all students. There are many pathways and opportunities for students to learn, achieve, and celebrate their intellectual, creative, personal, and future success.

**High Expectations:** Expectations for students, parents, and staff are clearly defined, understood, and shared. Students, parents, and staff are empowered, supported, and provided training and professional development opportunities to meet expectations. SLCUSD creates learning environments that empower students to take ownership over their learning in order for them to find purpose, meaning, and joy in their education and to excel beyond high school.

**Respect and Integrity:** Communication and interactions among and between students, staff, and parents is defined by mutual respect, trust, empathy, and support. SLCUSD strives to create a safe space for students to learn about themselves, other people, and the world around them.

**Collaboration and Civil Discourse:** The organization works collaboratively and creatively to ensure student success in a supportive environment. Decisions are made with stakeholder input and participation. Critical thinking, collegial dialogue and civil discourse around challenging problems are expected. Successes are recognized and celebrated.

**Culture of Care and Safety:** Schools and all district work sites are safe and secure environments for students, parents, and staff. SLCUSD focuses on the social-emotional needs of our students, values students' voices, and creates nurturing and inclusive school communities. Students, staff and families are compassionate school community members.

**Continuous Improvement:** Staff, students, and parents collaboratively evaluate progress using multiple, reliable measures, and make changes when necessary.

## I. Data and Access

*Ed-Data* is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

*DataQuest* is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., Academic Performance Index (API), Adequate Yearly Progress (AYP), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

*Internet Access* is available at public libraries and other locations that are publicly accessible; e.g., the California State Library. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used, depending on availability, the types of software programs available on a workstation, and the ability to print documents.

## II. About Morro Bay High School

### School Description and Mission Statement

Established in 1959, Morro Bay High School has been an integral part of our coastal community for more than 50 years. Morro Bay, once a quiet fishing town, and Los Osos, a bedroom community to San Luis Obispo, have transformed into vital socioeconomic centers of their own. Morro Bay High School is part of the San Luis Coastal Unified School District, a district with ten elementary schools (one charter school), two middle schools, two comprehensive high schools, and one continuation high school. Morro Bay High School's 43-acre campus is unique in that it is one of only a few schools in the country bordering the Pacific Ocean. Morro Bay High is a four-year comprehensive high school.

The mission of Morro Bay High School is to challenge each student to achieve his or her maximum potential in the areas of academics, critical thinking, occupational skills, social development, and personal growth. Upon graduation, "students will be capable of making responsible choices for a productive and satisfying life." Morro Bay High School is a 2005 and 2009 California Distinguished School, a 2006 National Blue Ribbon School, and was named by *U.S. News & World Report* as one of America's Best High Schools for 2008, 2009, and 2010.

### Opportunities for Parental Involvement

Parent support at MBHS is well established. Numerous booster organizations offer invaluable financial support to curricular as well as extracurricular, and special needs programs. Our four parent booster clubs are: Aggie Backers, Athletic Boosters, Blue and White, and the Music Boosters. MBHS and our district have benefited from TEACH (The Endowment for the Advancement of Children), whose purpose is to foster excellence in the San Luis Coastal United School District by providing grants for special classroom projects and materials that benefit students.

Parents serve as members of our School Site Council, with one of its main tasks being to oversee the Single Plan for Student Achievement. Parents were actively involved in writing our WASC (Western Association of Schools and Colleges) report and action plans. MBHS received a six-year accreditation with a three-year review, which is the highest level of accreditation granted by WASC. Parents have an opportunity to attend our Back to School and Open House events each year. Parents know that they are a vital part of the school community. They know that the teaching staff is accessible and concerned about their needs. Parents, students and staff take a yearly survey, and our entire staff reviews the results. For further information concerning parental involvement, please contact our Principal, Mr. Schalde at 805-771-1845.

### III. School Climate

#### School Safety Plan

Morro Bay High School has five essential key elements towards safety: yearly updated plan, safety practice and inservices for all onsite staff, confidential phone tree, coordination with Morro Bay City and San Luis Obispo County emergency safety/disaster officials, and practice emergency procedures each school year on campus. The plan was last updated in February 2022, and reviewed with staff in March 2022.

#### Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District			State

### IV. School Facilities

#### Facility Conditions and Planned Improvements

The District extends great efforts to maintain the schools in a manner that ensures that they are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument, with all potential problems related to safety reported and monitored for completion by site administration and the Building, Grounds, and Transportation Department. Information about this evaluation can be found for all sites at <https://www.slcsd.org/departments/bgt/facility-planning>. Elementary and middle school planned improvements include accessibility upgrades, campus-wide painting projects, fire alarms, and parking lot paving.

The following is specific information on the condition of the school and the efforts made to ensure that students are provided a clean, safe, functional learning environment.

### Age of School Buildings

Morro Bay High School has 60 classrooms, a multi-purpose room, two gymnasiums, locker rooms, a library and an office. The main campus was built in 1960; additions were constructed in 1962, 1964 and 1980.

### Maintenance and Repair

The District maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is utilized to ensure efficient service, and ensures that emergency repairs are given the highest priority. Many of our facilities are being modernized as part of the District Measure D program enacted in 2014.

### Cleaning Process and Schedule

The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at Buildings, Grounds and Transportation. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Budget

The district utilizes a deferred maintenance plan that is funded by an annual percentage from the District general fund. The District uses the funding to assist schools with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

### Deferred Maintenance Projects

The complete deferred maintenance plan is available at the Buildings, Grounds and Transportation office.

### School Facility Good Repair Status

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status. Year and month of the most recent FIT report: 11/15/22

System Inspected	Good	Fair	Poor	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	✓			Action taken or planned is tracked with School Dude

## V. Teachers

### Teacher Preparation and Placement (School Year 2020-2021)

The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Authorization/Assignment	School #	School %	District #	District %	State #	State %
<b>Fully credentialed for subject and student placement</b>	42	93.69	356.10	89.33	228366.10	83.12

## VI. Support Staff

### Academic Counselors and Other Support Staff (2021-2022)

The following table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	2	428
Library Media Teacher (Librarian)		
Library Media Services Staff (paraprofessional)	1	
Psychologist	0.65

## VII. Curriculum and Instructional Materials

### Quality, Currency, and Availability of Textbooks and Instructional Materials (2022-2023)

Supplying staff and students with high quality textbooks and instructional materials is a priority of the school district. The ratio of textbooks per pupil is one textbook to each student.

Core Curriculum Areas	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and/or Instructional Materials
Reading/Language Arts	1 per student	0
Mathematics	1 per student	0
Science	1 per student	0
History/Social Science	1 per student	0
Foreign Language	1 per student	0
Health	1 per student	0
Visual and Performing Arts	Sufficient Instructional Materials	0
Science Laboratory Equipment (Grades 9-12)	Sufficient Instructional Materials	0

### K-8 Core Curriculum Areas

The district has adopted and purchased the following materials from the most recent list of standards-based materials adopted by the State Board of Education.

## VIII. School Finances

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2020-2021)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/>, and teacher salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	\$16,159	\$4,705	\$11,453	\$81,488
District			\$15,068	\$82,252
Percent Difference - School Site and District			-23.99%	-0.93%
State			\$6,594	\$85,128
Percent Difference - School Site and State			73.69%	-4.28%

### Types of Services Funded (2021-2022)

Funded services include instructional, transportation, operations, and administrative. Some of the programs funded by state and federal resources that enable the district to provide services to support student achievement and well-being are:

Career Technical Education  
 College Readiness  
 English Language Instruction  
 Homeless Child Education  
 Lottery

Limited English Proficiency, Title III  
 Special Education  
 Title I, Title IV Student Support & Academic Enrichment  
 Vocational Education  
 Lowest Performing Student Block Grant

### Teacher and Administrative Salaries (Fiscal Year 2020-2021)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Avg For Districts In Same Category
<b>Beginning Teacher Salary</b>	\$49367	\$52478
<b>Mid-Range Teacher Salary</b>	\$73737	\$80810
<b>Highest Teacher Salary</b>	\$103731	\$101276
<b>Average Principal Salary (Elementary)</b>	\$132578	\$127080
<b>Average Principal Salary (Middle)</b>	\$149211	\$134264
<b>Average Principal Salary (High)</b>	\$166847	\$147200
<b>Superintendent Salary</b>	\$228449	\$242351
<b>% of Budget for Teacher Salaries</b>	30.09%	33%
<b>% of Budget for Admin Salaries</b>	5.18%	6%

### IX. Student Performance

Please note scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of an individual student.

### California Assessment of Student Performance and Progress Results for All Students (School Year 21-22)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2020-21	2021-22	2020-21	2021-22	2020-21	2021-22
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	N/A	74	N/A	64	N/A	47
<b>Mathematics (grades 3-8 and 11)</b>	N/A	38	N/A	56	N/A	33

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-a9 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

### CAASPP Assessment Results – English Language Arts (ELA)

#### Disaggregated by Student Groups, Grades Three through Eight and Eleven (School Year 21-22)

#### ELA – Grade 11

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>All Students</b>	189	179	95	73.74
<b>Male</b>	91	84	92	69.05
<b>Female</b>	97	94	97	77.66
<b>Asian</b>	4	--	--	--
<b>Hispanic or Latino</b>	55	50	91	70
<b>White</b>	110	106	96	74.53
<b>Two or More Races</b>	12	12	100	75
<b>Socioeconomically Disadvantaged</b>	98	94	96	67.02
<b>English Learners</b>	7	6	86	--
<b>Students with Disabilities</b>	29	23	79	34.78

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes – appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**California Physical Fitness Test Results (2021-22)**

The California Physical Fitness Test is administered to students in grades 5, 7, and 9. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test result to the district and state, see the CDE PFT Web page at <http://www.cde.ca.gov/ta/tg/pf/>.

## Admission Requirements for California Public Universities

### University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site, <https://www.universityofcalifornia.edu/>

### California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web site, <http://www.calstate.edu/admission/>.
