<b>Grade: K-2</b>	<b>Content Area: Music</b>
-------------------	----------------------------

## Introduction

The grade K-2 Music Arts curriculum provides a variety of integrated, interdependent learning opportunities for students to develop artistic literacy and fluency in the music arts discipline. Students are expected to engage in imagining, creating, and performing ways to express their ideas, and analyze and respond to the artistic works of others. Artistic processes, anchor standards, practices, and performance expectations assist in developing these skills along with grade level appropriate vocabulary, resources, and techniques.

### Knowledge & Skills

**Enduring Understandings:**

- Individuals' selection of musical works is influenced by their interests, experiences, understandings, and purposes. Response to music is informed by analyzing context (e.g., social, cultural, historical) and how creator(s) or performer(s) manipulate the elements of music.
- Through their use of elements and structures of music, creators and performers provide clues to their expressive intent.

**Essential Questions:**

- How do individuals choose music to experience? How does understanding the structure and context of music inform a response?
- How do we discern the musical creators' and performers' expressive intent?
- How do we judge the quality of musical work(s) and performance(s)?
