

Mercer Area School District

Dear Parents/Guardians:

All 11<sup>th</sup> grade students are required by Pennsylvania State Law to have a complete physical. Physicals are acceptable 4 months prior to the start of 11<sup>th</sup> grade. Students who do not turn in their physicals can be excluded from extra-curricular activities, such as Prom and the class trip to Cedar Point.

It is highly recommended that your family physician perform the physical as he/she knows your child and can follow up on any abnormalities.

Physicals are available by the school physician. She will perform a screening examination and any changes will be reported to you for further evaluation by your private physician.

**\*Physicals will be accepted until March 31<sup>st</sup> of this school year.**

If you choose to have the school physician perform the physical, please sign below with your child's name, and return to the nurse by March 31<sup>st</sup> of this school year.

Any questions/concerns please call Mrs. Jill Bello, RN, School Nurse, at 724-662-5104, ext 21.

Thank you
