Probationary Employees: A probationary employee commences a “trial period” during which the direct supervisor carefully considers whether the employee is able to meet the standards and expectations of the job and if the employee should be retained by MPS as a “regular” employee. During probationary employment the supervisor assesses the employee’s ability to learn and perform job duties, quality of work, productivity, work habits, cooperation, attendance and punctuality and other standards and expectations specific to an employee’s particular position. If the employee fails to meet the requirements of the job, the employee may be released at any time during the probationary period. The position held by the probationary employee may be posted prior to the end of the fiscal school year. If posted the employee must re-apply for the position if he/she wants to be considered for the position. If a recommendation for future employment is made by the supervisor and if the employee completes the full probationary period, the probationary employee may be considered for employment for the subsequent school year on a regular contract. If a probationary employee becomes a “regular” employee in the same position for which he/she was hired, the time worked as a probationary employee is credited toward experience. Support employees initially serve a one-year probationary period beginning with the date of employment. A probationary employee is an at-will employee and has no continuing employment rights to future employment by the school district as per state law (70 O.S. Section 6-101.40).

School Year: Entire period of time between July 1, and June 30, that is determined by work calendar for a particular position

Support Employee: An employee of a school district as determined by the standard period of labor which is customarily understood to constitute full-time employment for the type of services performed by the employee, who has been employed for at least one calendar year and who provides those services, not performed by professional educators or certified teachers, which are necessary for the efficient and satisfactory functioning of a school district. Refer to Fair Labor Standards Act.

Temporary Employees: All personnel employed in any department to fill in for an employee who is on leave or due to an extra workload. These employees will have a beginning and ending date, will be paid at the zero (0) step of the employee's position which he/she is replacing, they are not subject to leave or fringe benefits, and must follow the guidelines for employment.

Summer Employment: Employees who are hired as an extra employee to work in a position that is needed due to extra workload in any department.

Student: Any person who is at least sixteen (16) years of age and who will be attending secondary classes in a public/private/homeschool in the fall is considered a student. Students employed by the Mustang Public Schools are excluded from coverage of this Contract and their conditions of employment shall be set by the Board of Education.

Emergency Day: Shall be defined as a day when school is canceled, at the Superintendent's discretion, for the entire district or specific parts of the district due to an emergency.

Contract day: Shall be defined as the standard number of hours for which an employee is employed on a daily basis.

Seniority: Shall be defined as a support employee's length of uninterrupted service with Mustang Public Schools since his/her initial date of employment without regard to part-time or full-time service. When employees share the same hire date, priority shall be determined by using the date of the employee's application. If the dates of the applications are identical, then priority must first be given to the employee with prior Mustang Public Schools service for that position, and second priority given to the employee with any prior Bargaining Unit service, or last by lot draw.

Two-Position Employees: An employee who works in two positions for the district and whose total working hours are thirty (30) or more hours per week shall be considered a full-time employee and entitled to all qualifying benefits.

This process could be followed by an official grievance depending on whether the issue is a violation, misinterpretation, or misapplication of the terms of this Negotiated Agreement.

The written evaluation shall be placed in the employee's personnel file. Access to the evaluation shall be granted only to the employee's direct supervisors, other appropriate district administrative personnel, and the employee or his/her designated representative.

An employee may respond in writing to any written evaluation, reprimand, admonishment or other formal written disciplinary action within ten (10) working days of the receipt of such disciplinary action. Leave - No sick leave or comp time will be granted for any activity that provides monetary compensation. Leave is based on the hour requirement of a particular job.

Leave is accrued and entered on the primary position (most hours worked) when employees work two (2) positions. Leave on the second position may be taken with permission from your supervisor and will be required to be made up. If a support employee wishes to change his/her absence after it has been received

and recorded by the personnel office, a request to his/her supervisor must be made within two (2) weeks unless deemed to be a mistake made by the recording of the leave. The absence will stand as recorded after the two (2) week period has passed.

In the event an inclement weather/distance learning day is established by the Superintendent, designated support employee groups may participate in professional development, satisfying up to 4 contract days. Virtual professional development will be made available by the support employee supervisor. Professional Development may take the form of a virtual staff meeting, professional videos, professional literature, online training, online discussions, etc. Upon verified completion of the professional development, the employee will not be required to use individual accrued leave (sick, vacation, personal, comp time, bereavement) to satisfy a contract day. All Non 245 contract support employees may utilize professional development in the event an inclement weather/distance learning day is established by the Superintendent. Non 245 contract support employees choosing not to participate in professional development opportunities, will need to take accrued leave (sick, vacation, personal, comp time, bereavement) on inclement weather/distance learning days.

As stated in Board Policy, the Superintendent may designate up to five (5) Emergency Days within a school year. Leave will not be utilized for any employee during an Emergency Day. There may be times when a support employee's assistance for safety reasons is requested at the Superintendent's discretion.

a. Sick Leave

No Sick leave will be granted for any activity that provides monetary compensation.

For all support employees, sick leave will be given up front on July 1 of each school year.

Sick leave is granted when the support employee is unable to perform regularly assigned duties because of illness or personal health conditions of the employee or illness of a member of the employee's immediate family. Immediate family is a spouse/significant other, mother, father, children, brother, sister, mother-in-law, father-in-law, aunt, uncle, grandparents of employee or spouse/significant other, grandchildren of employee or spouse/significant other, or a person living in the employee's home who is part of the family.

Employees with experience in an Oklahoma school district in the current year or immediately preceding year may transfer accumulated sick leave to MPS, not to exceed sixty (60) days. If the employee has more than sixty (60) days the remaining amount will be placed in the District's Retirement Bank for retirement purposes.

According to the Teachers Retirement System (TRS) one-hundred twenty (120) days of earned sick leave can be used for one (1) year of experience toward retirement provided all established guidelines are met.

The Superintendent, or his/her designee, may request at any time, a statement from a support employee's medical doctor that the employee is or is not able to assume his/her regularly assigned duties. This request may be made at any time after an employee has missed three (3) consecutive workdays or an accumulation of ten (10) or more days in a school year.

Should a support employee decide to separate employment with Mustang Public Schools, the "Voluntary Separation from Employment" form must be completed. The employee must indicate on this form, in writing, if they are requesting payment for unused sick leave. Accumulated unused sick leave days will be prorated according to the number of days actually worked.

At the time of separation from Mustang Public Schools, each full-time support employee who has completed 5-9 years will receive twenty-five (\$25.00) per day up to a maximum of one hundred (100) days for sick leave accumulated within the MPS District. Part time support employees (those support employees who work at least three (3) hours per day) who have completed 5-9 years will receive twelve dollars and fifty cents (\$12.50) per day up to a maximum of one hundred (100) days for accumulated sick leave at the time of separation from Mustang Public Schools.

At the time of separation from Mustang Public Schools, each full-time support employee who has completed 10 or more years will receive fifty dollars (\$50.00) per day up to a maximum of one hundred (100) days for sick leave accumulated within the MPS District. Part time support employees (those who work at least three (2) hours per day) who have completed 10 or more years will receive twenty-five dollars (\$25.00) per day up to a maximum of one hundred (100) days for accumulated sick leave at the time of separation from Mustang Public Schools.

If a probationary employee leaves the district prior to his/her one (1) year anniversary date, there will be no payment for sick leave.

Female employees who have been employed with MPS for at least 1 year and have worked 1,250 hours during the previous 12 months are eligible for up to 6 weeks of paid state approved maternity leave. The 6 weeks of paid state approved maternity leave begins immediately following the birth of the child and runs consecutively without interruption, regardless of school breaks. After 6 weeks of paid state approved maternity leave the employee may use their accrued leave as needed. Usage of the 6 weeks of paid state approved maternity leave in addition to the usage of employee accrued leave will run concurrently with FMLA, as used within Federal guidelines.

b. Personal

All full-time and part-time support personnel, unless noted otherwise, will be given three (3) personal leave days at the beginning of the fiscal year, or prorated days for the proportional time of employment.

Personal leave must be requested in writing and approved by the direct supervisor at least twenty-four (24) hours in advance of the requested leave date. Use the form in Appendix C for the request. If an employee fails to comply with obtaining prior approval for personal leave, the day he/she is absent using personal leave will be recorded as a day of leave without pay.

The employee's director/supervisor may determine that personal leave cannot be used the day before or the day following a school holiday. These dates are set according to the employee's work calendar.

Factors that will be considered before approving requests are:

- availability of replacement
- effect on other related personnel (i.e., workload)
- time of request

At the end of each school year, up to three personal days will be converted to sick leave.

A support employee with ten (10) or more years of continuous district service in MPS will be allowed to carry over one (1) day of personal leave into the succeeding school year. A support employee with fifteen (15) or more years of continuous district service in MPS will be allowed to

carry over two (2) days of personal leave into the succeeding school year with a maximum of five (5) personal days accumulated.

c. Vacation (only for full-time, 12-month employees)

All vacations must be scheduled, coordinated and approved by the supervisor. Vacation leave shall be accrued monthly, at the end of the month, for all full time 12 month support employees as the chart below indicates.

Years of In-District Service	Effective July 1st Paid Vacation Days
0-7 Years	Ten (10)
8-12 Years	Twelve (12)
13 + Years	Fifteen (15)

Vacation leave must be requested in writing and approved by the direct supervisor at least twenty-four (24) hours in advance of the requested leave date. Use the form in Appendix C for the request. If an employee fails to comply with obtaining prior approval for vacation leave, the day he/she is absent using vacation leave will be recorded as a day of leave without pay.

The employee’s director/supervisor may determine that vacation leave cannot be used the day before or the day following a school holiday. These dates are set according to the employee’s work calendar. Factors that will be considered before approving requests are:

- availability of replacement
- effect on other related personnel (i.e., workload)
- time of request

Vacation leave cannot be used until it is accrued. Vacation leave is not available for use by the probationary employee until the employee’s one-year anniversary date. If a probationary employee leaves the district prior to the one-year anniversary date, there will be no payment for vacation leave.

Vacation leave will not be accrued unless the employee works at least 50% of the month or if an employee is on worker’s compensation.

When a support employee on a continuing contract leaves the district, any unused vacation leave days will be paid at a rate of the employee’s daily rate of pay. Request for payment must be indicated on the “Voluntary Separation from Employment” form. For payment purposes, an employee may accumulate a maximum of thirty (30) days. At June 30 of any fiscal year, no more than thirty (30) days may be carried to the next fiscal year. If the extra days over 30 are not used, the days are eliminated as of June 30 of each fiscal year. If an employee is taking more than 5 days consecutively of vacation, prior approval will be required from the Executive Director of Human Resources and the employee Supervisor. A support employee on a continuing contract, who has over thirty (30) days of vacation leave accumulated, shall have the choice of converting a maximum of two (2) days of vacation leave to sick leave prior to June 30th each fiscal year.

d. Bereavement

Bereavement leave is to be used for absences in the event a family member, relative, Friend, or friend's family member dies, or in the event of a pregnancy loss. Each support employee will be given six (6) bereavement days at the beginning of the fiscal year, or prorated days for the proportional time of employment.

2. Sick Leave Bank

Sick Leave Bank - No leave will be granted for any activity that provides monetary compensation. A Sick Leave Bank has been established for Mustang support employees who choose to participate. All donated sick leave must be given voluntarily. No employee shall be coerced, threatened, intimidated or financially induced into donating sick leave for purposes of the sick leave bank program.

Procedure: Requests for day(s) from the sick leave bank must be in writing and brought to the Human Resources Department at least ten (10) working days prior to the time the leave is to be taken, unless the employee is stricken with debilitating emergency. Along with the request, the employee shall provide a medical statement from a licensed physician or health care practitioner verifying the severe or extraordinary nature, explaining the illness/condition and expected duration of the condition. A HIPAA Form must also be completed and attached to the medical note. If the employee is unable to complete the leave request, the request can be completed by a family member or representative of the employee. The sick leave bank days may only be used by the recipient for the purposes specified. Sick Leave Bank was designed to prevent the employee from having to take leave without pay or face possible termination of employment due to extraordinary circumstances.

Sick Leave Bank requests are only good for the current school year, requiring an employee to re-apply, if needed, in the next school year. The Human Resources Department will determine if an individual employee qualifies for sick leave use. If sick leave is not granted the requesting employee may file an appeal within ten (10) working days of notification of denial which will then be heard by an appeals committee.

Each support employee who chooses to participate in the sick leave bank shall contribute one (1) day of sick leave each year at the beginning of the school year or within thirty (30) working days of initial employment if initial employment begins after the beginning of the school year. Days contributed shall be deducted from that employee's accumulated sick leave. The sick leave received will be designated as sick leave bank days and be maintained separately from the sick leave balance. For the one (1) day of sick leave contributed, the employee will receive ten (10) working days in the sick leave bank. Records for the sick leave bank will be kept in the HR office.

Contributing employees may request days from the sick leave bank to use after they have exhausted all their individual leave accumulation. Said request for days from the sick leave bank shall be in writing and shall be presented to the HR office at least ten (10) working days prior to the time the leave is to be taken. Unless the employee is stricken with debilitating emergency, retroactive days may not be granted as determined by the Sick Leave Bank Committee. The employee must have exhausted all sick, personal, and vacation leave before consideration to grant sick leave bank. Administration will consider the merits of the request and determine how many days, if any, are warranted as long as the total amount granted does not exceed ten (10) per year for each year the employee has participated in the sick leave bank. The H R office shall then notify the requesting employee in writing of the decision, and a copy of the notification will be kept in the HR office and in the employee's personnel folder. If an employee is denied days from the sick leave bank he or she may appeal the decision to an appeals committee composed of the members of the supervision committee and one additional administrator appointed by the Superintendent. The decision of the appeals committee is not grieve-able.

The employee shall be paid his/her regular rate of pay. No employee will be allowed to draw days from the sick leave bank while receiving workers compensation benefits. No leave will be granted to employees for any activity that provides monetary compensation. Supervision of the sick leave bank shall be a committee composed of the Assistant Superintendent and the Executive Director of Human Resources. Definitions Employee means those persons who have chosen to participate in the sick leave bank and have donated sick leave days to the bank.

This term shall include foster children and legal wards, even if they do not live in the household. All leaves of absence shall be for one (1) semester or one contractual year or for the remainder of the semester or contractual year if the semester or year has begun. The leave of absence may be granted because of health, personal reasons or unusual circumstances. The supervisor, the Deputy Superintendent and the Mustang Board of Education must approve the leave. Absence without pay is calculated on the salary schedule, divided by the number of working days in the calendar year, where the employee falls on the salary schedule. An employee may use up to five (5) days of absence without pay without losing the benefit of having an equal semi-monthly paycheck.

For the support employee on a regular contract, any additional absence(s) may be cause for immediate release from employment with MPS.

Relative means a spouse/significant other, child, stepchild, grandchild, grandparent, aunt, uncle, stepparent or parent. Household member means one who resides in the same home as the employee and who shares a duty to provide financial support with the employee.
