Dear Families and Students of Eisenhower Elementary,

I hope this letter finds you and your family enjoying a restful and enjoyable summer! My name is Dale Rubino and it is an honor to introduce myself to you as the newly appointed Eisenhower Elementary Principal. I am extremely excited and privileged for the opportunity to lead this school in this incredible community. I am eager to collaborate with the most dedicated teaching staff and to provide the most comprehensible and engaging education program for our students.

I have over eighteen years of educational experience that has shaped my administrative career. My most recent administrative positions at Sayreville Public Schools have been the roles of both Vice Principal and Principal of SWMHS for the past eight years. I admire the commitment the Sayreville Community has to education, and most importantly the great sense of "family" it provides.

I firmly believe that all students can learn at elevated levels, therefore, it is my job as Principal to ensure that our children continue to receive high quality instruction in an environment that is safe and positive every day. My most fundamental initiatives as Principal is to provide strong leadership, which inherently will promote a positive school environment and to deliver instruction that meets the needs of each student. With this being said, students and staff will immediately notice my visible presence and availability that I will maintain throughout our school. This allows me to effectively familiarize myself to the student population throughout the year and to build a positive rapport with my students and staff.

One of my most important goals is to work as a team with you as a partnership, to ensure your child meets with success. If you ever have a concern, please do not hesitate to call the main office or email me, as my door is always open to you. Open communication is very important in a school setting and for this reason, I encourage you to reach out to your child's teacher or me with any questions you may have. Furthermore, please be on the look out for my "Welcome Back" letter that will be sent via email to all parents. This letter will have all the information needed for the beginning of school.

On behalf of the Eisenhower family, wishing you and yours a most enjoyable rest of your summer and Labor Day weekend. We look forward to a very memorable and successful school year for all.

Sincerely,

Dale J. Rubino
Principal
