Course Description	7th Grade Texas History						
Learning Objectives	Throughout our Texas history course, we will study the history of Texas from early times to the present. The focus in each era is on key individuals, events, as well as issues and their impact. Students will be prepared to identify the regions of Texas, the distribution of population within and among the regions, and explain the factors that caused Texas to change from an agrarian to an urban society.						
Adopted Instructional Materials	Canvas will be our main instructional platform. Zoom will be utilized as our webcam software for class meetings. Other various instructional sites will be utilized as supplemental resources, such as Nearpod, Classkick, Kahoot, Blooket, etc.						
Instructional Methods	Lectures, multimedia elements, class discussions, case studies, projects and individual assignments, cooperative learning.

<p>Cell Phone and Technology Policy</p>	<p>Students are provided with a Chromebook, Internet Hotspot, iPad with Keyboard, Digital Pen.</p>
<p>Assessment Policy</p>	<p>Frequently during the year, formative assessments will be given. These will be in the form of homework, written or oral quiz, readings and discussion, student writing, or tests. Feedback will be given on all formative assessments.</p>
<p>Retesting Procedures</p>	<p>The formative assessments are critical to learning because they provide feedback as to what essential learning we will focus on next. They will help influence and shape the process of learning while we still have time to improve before test or grades are given.</p> <p>Students may retake tests only upon receiving a failing grade of below a 70%. The time and date for all retests is determined by the teacher.</p> <p>Semester Exams will NOT be eligible for retest.</p>
<p>Late Work Policy</p>	<p>All work is due at the designated assigned time.</p> <p>Late work due to absences:</p> <p>Students absent on a day work is due shall receive a due date for the next class meeting. All homework is due at the beginning of the class hour. Assignments submitted electronically are due before the beginning of class time on the scheduled due date. Students who are absent on the day work is assigned will be assigned said work upon their return to class and given the same time frame for completion as originally assigned. Work turned in during this time shall receive full credit.</p> <p>Late work not due to absences:</p> <p>For all assignments turned in late, 10 points shall be deducted for each day an assignment is late. No assignments will be accepted pass day 3.</p>
<p>Attendance</p>	<p>Regular and daily attendance is required for all classes. Every day, log into Canvas and look for any new Announcements or Content. On days that I am out, I will leave an Announcement on Canvas with instructions for the day. You will be expected to complete any work I leave behind for attendance. If you know you will not be able to log in to the course on any given day, please contact me immediately by e-mail. If you encounter technical difficulties, contact the school by phone. Students who continually miss class OR are not responsive via Zoom will be referred to the school administration.</p>
