Course Description	<p>The Spanish I course provides students with opportunities to develop language proficiency across the three modes of communication: Interpretive, Interpersonal, and Presentational.</p> <p>The course focuses on the integration of authentic material including online print, audio, and audiovisual resources, as well as traditional print resources with the goal of providing a rich, diverse learning experience. Students communicate using rich, advanced vocabulary and linguistic structures as they build proficiency in all modes of communication towards the pre-advanced level as defined in the <i>ACTFL Performance Guidelines for K-12 learners</i>.</p> <p>Purpose: The purpose of this course is to prepare students for the multicultural work and social environments in today's world by expanding and reinforcing the basic skills of the target language. Knowledge of the culture and history of various Spanish-speaking countries are included to improve communication skills and pass on the heritage of the Hispanic world.</p>
Learning/Performance Objectives	<p>Objective: The student will gain knowledge of the Spanish language, learn basic phonological, grammatical, and syntactic skills, and become aware of Hispanic cultural similarities and differences. The student will be able to comprehend the oral and written language and will express themselves both orally and in writing using basic vocabulary and structure.</p>

Assessment Policy	<p>Frequently during the year, formative assessments will be given. These will be in the form of homework, written or oral quiz, readings and discussion, student writing, or tests. Feedback will be given on all formative assessments.</p> <p>The formative assessments are critical to learning because they provide feedback as to what essential learning we will focus on next. They will help influence and shape the process of learning while we still have time to improve before tests or grades are given.</p>
Retesting Procedures	<p>Students may retake tests only upon receiving a failing grade of below 70%. Additional assigned material during tutorial may be a prerequisite to taking a retest. The time and date for all retests is determined by the teacher. No penalty is assigned for the weight of retest grades. Semester Exams will not be eligible for retest.</p>
