RV ATHLETICS FACILITIES CONSTRUCTION BEGINS

Construction on the highly anticipated, brand new, \$15 Million athletics and stadium complex began in late June. Phase One of the project is being completed by BREX Enterprises, Inc. based in Irwin, PA. Phase One work consists primarily

of earth-moving, sewer and water line restoration, and movement and preparation for roadway and stadium foundations. Visitors to campus are asked to be mindful of ongoing work and to pay close attention to signage, as traffic patterns will change while the project progresses. By early fall, Phase Two will usher in Hellas Construction, based in Cedar Park, Texas, for the construction of a multi-sport field featuring Matrix turf and an eight-lane 400m all-weather track using Hellas' signature epiQ surface, making River Valley a premier site for athletics competition in the Heritage Conference and in the tri-county region.

RV WELCOMES NEW VOLLEYBALL COACH

River Valley Athletics is happy to welcome Ms. Jill Glover as the Head Coach of the Girls' Volleyball program. Glover played in high school at neighboring West Shamokin High School and continued collegiately on scholarship at Edinboro University of Pennsylvania. An Outside Hitter/Opposite, Glover brings a wealth of talent and experience to lead the Panthers program forward. She will be assisted by Marissa Pastva, a Forest Hills High School graduate and former member of the IUP Women's Basketball roster.
