

Application for The Nueva School My Page How-To Guide

What makes you lose track of time? What do you love learning about, contemplating on, or immersing yourself in? My Page is an open-ended opportunity for you, the applicant, to express whatever captures your interests. Any medium that showcases what you love is welcome. **This project should be original and created for your application to Nueva**; please do not repurpose school projects or recitals. **The intent is for your My Page to focus on one area where you love to spend your free time.** You could create art, act out a scene from a play, solve an equation, record a video teaching us something—the possibilities are endless! This is a chance for you to show us how you dive deeply into a topic you are passionate about. **We are interested in what inspired your creation, so please tell us about your process and why you chose your submission.** Have fun with this!

Frequently Asked Questions

Are there any limitations or restrictions for my My Page submission? Just one. Your My Page submission can (and should) reflect you and whatever it is that you are passionate about. If you are submitting a video, please ensure it does not exceed 3 minutes. That's it!

What if my My Page doesn't allow for, or have space for me to write my name and applying grade on it? That's ok! To upload an electronic file, save it with your name and applying grade included in the title (for example: John Doe My Page.Grade7.doc). If you are uploading a Word document or PDF, please be sure to put your name and applying grade at the top.

If your My Page is a video, it must not exceed 3 minutes. Please do not upload it to Ravenna, as the system does not support video files. Please upload your content to YouTube, Google Drive, Vimeo, etc. Then, copy and paste the link into a Word document or PDF and upload the document to Ravenna.

It consists of multiple documents, and Ravenna only allows me to upload once:

If you need to upload multiple documents, try converting them into PDFs (if they aren't already) and combining them into one cohesive document. That way, you are able to submit everything you need in the one-time upload. Simple instructions for how to do this can be found on Google.

If you are still having trouble uploading, please feel free to call or email our office and we are happy to help determine the best plan of action for getting your My Page submitted.

Please note: All application materials must be submitted on the application deadline by 5:00 pm.
