IN-DEMAND SKILLS FOR TODAY'S CAREERS

HEALTHCARE

Looking for a challenge with many rewards?

Demand for healthcare professionals is skyrocketing! From nurse to medical assistant to pharmacy technician, RACE will prepare you for a well-paying, engaging career in the booming healthcare industry. Gain the skills for employment in hospitals, long-term care facilities, home health care, residential care and health clinics.

INDUSTRY TRADES

Learn a new set of skills to enter the workforce for the first time, change careers or pick up a new specialty!

Whether you choose Auto Mechanics, CDL, Carpentry, Electrical Trades, Welding or Plumbing, our Adult and Community Education programs afford students the opportunity to learn the latest techniques in modern facilities. Our faculty members are industry experts with strong ties to local business communities.

CULINARY / HOSPITALITY

Aspiring "Iron Chef" or Home Cooking Explorer?

If cooking is your passion, our RACE courses will develop your culinary and pastry skills with American Culinary Federation (ACF) curriculum in basic and gourmet food production, baking, nutrition, dining etiquette, customer service, food safety and sanitation.

Call (845) 348-3500 or visit rocklandboces.org to register.

ONLINE LEARNING

Rockland BOCES' Workforce Development and Continuing Education online Adult Learning courses and programs are designed for those who prefer the flexibility of online education to accommodate their personal or professional lives. For those students, we offer a wide range of interactive virtual courses through our partnership with **ed2Go**. All online offerings are led by expert instructors, many of whom are nationally known authors, and the courses are affordable, convenient and flexible.

ADULT LEARNING Courses

Whether you are looking for professional development or personal enrichment, these six-week online courses are the perfect way to learn a new skill or enhance your existing ones.

PROGRAMS BEGIN EVERY SIX WEEKS!

HEALTHCARE

◆ Medical Assisting (CARMED0124F)	
420 hours	\$6,726 (includes textbooks, equipment and certification fee)
Nyack, BERC	9/27 - 5/15 M – Th 5:30 – 9:30pm
◆ Medical Assisting (CARMED0224F)	
420 hours	\$6,726 (includes textbooks, equipment and certification fee)
Nyack, BERC	9/27 - 5/15 M – Th 9am – 1pm

This comprehensive program prepares students to become professional medical assistants who are trained and certified in Medical Assisting, Phlebotomy, EKG and Basic Life Support/CPR. Through remote and hands-on instruction, students acquire both the administrative and clinical skills needed to assist medical professionals in doctors' offices, labs and other healthcare facilities. This course includes hands-on classroom practice of drawing blood and other clinical skills. **Tuition payment plans are available.** The following is required: passing score on Reading Comprehension assessment; HSD or equivalent; health form and immunization; and an orientation.

Ask about tuition assistance available up to \$10,000!

(◆) Medical Assistant Skills (CARMEDSK0124F)

288 hours	\$4,399 (includes textbooks, equipment and certification fee)		
Nyack, BERCC	9/27 – 2/15	M – Th	9am – 1pm

This course teaches students select clinical and administrative components of working in physicians' offices, clinics and other health-related facilities. Topics include HIPAA, electronic health records, medical office procedures, health insurance, scheduling and reception. Clinical coursework includes infection control, vital signs, assisting with the physical exam, lab testing, anatomy, physiology, medical terminology and Basic Life Support/CPR. Medical Billing, ICD/CPT coding, EKG and Phlebotomy will be introduced. **Students that successfully complete this course may take the National Healthcareer Association's Certified Clinical Medical Assistant (CCMA) certification exam.** Tuition payment plans are available. The following is required: passing score on Reading Comprehension assessment; HSD or equivalent; health form and immunization; and an orientation.

(◆) Dental Assistant Program (CARDENT0124F)

60 hours	\$1,859 (includes textbooks)		
Nyack, BERG	9/27 – 11/27	M & W	9am – 1pm

The 60-hour Dental Assisting program helps to prepare students for entry-level positions in one of the fastest growing healthcare positions. The purpose of this course is to familiarize the student with all areas of pre-clinical dental assisting and provide training in the professional skills required to function as an assistant in the dental practice. Topics include dental anatomy and physiology, oral health and prevention of dental disease, infection control, dental radiology, tooth restorations, dental equipment, assisting in dental care, the dental office and legal aspects of dentistry. In addition to entry-level administrative jobs, this course is ideal for students interested in pursuing a future formal Dental Hygienist program. **Passing score on Reading Comprehension assessment required. HSD or equivalent required. Orientation required.**

(◆) **Medical Coding** (CARADMC0124F)

171 hours	\$4,035 (includes textbooks, rental of coding manuals, certification test and fees)		
Nyack. BERC	10/3 – 3/1	M, T & Th	5:30 – 8:30pm

(◆) **Medical Coding** (CARADMC0224F)

171 hours	\$4,035 (includes textbooks, rental of coding manuals, certification test and fees)		
Nyack, BERC	11/2 – 2/17	T & Th	5:30 – 8:30pm
		Saturdays	9am – 1pm

This course is designed by the AAPC to prepare students for a career as a medical coder in hospitals, physicians' offices and other healthcare settings; and to pass the AAPC Certified Professional Coder (CPC) exam. Topics include: terminology, anatomy & physiology and medical coding purposes, principles and guidelines. Includes instruction on ICD-10, CPT and HCPCS coding including determination of the levels of evaluation and management services. **High school diploma and a basic understanding of Medical Terminology and Anatomy and Physiology is required. Tuition payment plan available. Passing score on Reading Comprehension assessment required. HSD or equivalent required. Orientation required.**

(◆) Medical Billing and Coding (CARMBCS24F)

168 hours	\$4,750		
Nyack, BERC	10/5 – 3/12	T & Th	5 – 9pm

Physicians in the United States depend on medical billers and coders to receive payment for their services. Positions are available in hospitals, medical practices, insurance companies, billing companies, nursing homes, specialty pharmacies and more! This course covers the entire revenue cycle, from patient registration to medical coding, claims submission, reimbursement and collections.

Additional topics include legal, ethical and regulatory compliance, health records, medical terminology, basic structures, functions and common disorders of the human body, diagnostic coding (ICD-10), medical procedure coding (CPT), HCPCS coding, types of health insurance, insurance claims submission and follow up. Students who successfully complete the course will receive a voucher to take the National HealthCareers Association's Certified Billing and Coding Specialist (CBCS) Certification exam. Passing score on Reading Comprehension assessment required. HSD or equivalent required. Tuition payment plan available. Orientation required.

◆ **Medical Office Assistant** (CARAMOS0124F)

144 hours \$2,691 (includes textbook and certification testing fee included)
Nyack, BERC 10/5 – 2/15 T & Th 5 – 9pm

This course will prepare students for positions in private practices, billing agencies and health care institutions. Topics include: ICD-10 coding, CPT coding, HCPCS coding, billing, health insurance and the use of the HCFA HCF 1500 form, medical reception, patient communication strategies and HIPAA. Students who successfully complete the course may sit for the National Healthcareer Association's Certified Medical Administrative Assistant (CMAA) exam. **Passing score on Reading Comprehension assessment required. HSD or equivalent required. Tuition payment plan available. Orientation required.**

▲ **Pharmacy Technician** (CARPHAR0124F)

135 hours \$2,650 (includes books and certification fee)
Remote 9/27 – 3/25 M & W 10am – 1pm

This course will prepare students for positions in hospitals, nursing homes, retail and manufacturing! Students will be introduced to medical terminology related to pharmacy, dosage calculations, IV admixture preparation basics, dispensing of prescriptions, pharmacy rules and regulations, HIPAA and communication skills. Successful students will be prepared to take the Pharmacy Certification exam given by the National Pharmacy Certification Board (PTCB). **HSD or equivalent required. Passing score on Reading Comprehension assessment required. Tuition payment plan available. Orientation required.**

● **Nurse Assisting** (CARCNA0124F)

132 hours \$2,650 (includes textbook and testing fee)
Nyack, BERC 9/27 – 12/13 M, W & Th 5 – 9pm
 12/2 & 12/9 Saturday 8am – 2pm

This NYS-approved program will prepare students to take the New York State Nurse Aide Certification Exam. Students are trained to work as nurse aides in nursing homes, hospitals and other health-related fields. This extensive training includes a 30 hour clinical rotation in a nursing home. **Passing score on Reading Comprehension assessment required. Proof of immunization is required. Tuition payment plan available. Orientation required.**

● **Phlebotomy Technician with EKG** (CARPHLE0124F)

80 hours \$2,925 (includes textbook and testing fee)
Nyack, BERC 9/18 – 1/10 M & W 9am – 12pm

● **Phlebotomy Technician with EKG** (CARPHLE0224F)

80 hours \$2,925 (includes textbook and testing fee)
Nyack, BERC 11/28 – 2/13 T & Th 5 – 9pm

Students will learn the practice and skill of drawing blood for phlebotomy positions in laboratories, hospitals and doctors' offices. In addition, students learn to prepare for and perform an electrocardiogram using 12-lead EKG equipment. After practicing on mannequins, students will draw blood from one another under the supervision of their instructor. Ask the admissions counselor about phlebotomy internships available at local healthcare facilities! **Passing score on Reading Comprehension assessment required. HSD required. Students who successfully complete the program will be allowed to sit for the National Healthcareers Association (NHA) Certified Phlebotomy Technician Exam. Tuition payment plan available. Orientation required.**

● **Patient Care Technician** (CARPCT24F)

80 hours \$2,300 (includes textbook and testing fee)
Nyack, BERC 10/18 - 2/7 M & W 6-9pm

The Patient Care Technicians work in healthcare settings such as hospitals, clinics, rehabilitation centers, long-term care facilities, physicians' offices and assisted living facilities. These professionals possess the technical skills to perform bedside care, diagnostic tests, collection of laboratory specimens, vital signs, phlebotomy, EKGs, and more. The Patient Care Technician course at Rockland BOCES is designed for the Nursing Assistant/Aide who wants to progress their career, advance their skills and become a more competitive candidate for employment. Successful students may take the National Healthcareer Association (NHA) - Certified Patient Care Technician (CPCT) national certification exam. **Passing score on Reading Comprehension assessment required. HSD required. Tuition payment plan available. Orientation required. Prerequisite: Nurse Aide Certification**

NEW

(●) Electrocardiography (EKG) Technician (CAREKGS24F)

30 hours \$830 (includes textbook and testing fee)
 Nyack, BERC 10/17 – 11/14 T 9am – 3pm
 Students will learn to perform a 12-lead electrocardiogram, troubleshoot technical problems and identify normal and common abnormal cardiac rhythms. Upon successful course completion, students are eligible to take the Certified EKG Technician (CET) Exam offered by the National HealthCareers Association.

(◆) Veterinary Assistant Program (CARVET24F)

100 hours \$2,599
 Nyack, BERC 10/16 – 1/8 M & W 6 – 9:30pm
 (Plus five Saturdays 10/21, 11/4, 11/18, 12/2, 12/16)
 This 100-hour Veterinary Assistant program introduces students to the exciting and growing field of veterinary medicine. Students will learn about the care of animals as well as how to recognize signs of illness and disease. This program also covers interpersonal communication, interaction with clients and their animals and how to assist the veterinarian during examinations. Administrative duties such as fee collection, banking and accounts payable are also emphasized to provide the student with the skills necessary to maintain an efficient front office. **Passing score on Reading Comprehension assessment required. Orientation required.**

Clinical Externship: Upon successful completion of this Veterinary Assistant program, you will be eligible to participate in a 40-hour clinical externship with a local facility. You may be asked to submit to a thorough background check, drug screening and meet other requirements.

(◆) Animal Science (TANSCIPM24F)

437 hours \$8,676 (supplies and textbooks additional)
 West Nyack, Bldg. 3 9/7 – 6/13 M – F 8 – 10:30am or 11:30am – 2:15pm
 Animal Science students will acquire basic knowledge and skills necessary for further study or entry-level positions in animal science and related fields. This technical course teaches specialized and advanced skills in areas such as veterinary assisting, care and handling of animals in a laboratory or veterinary setting, dog grooming and kennel/pet shop management. **Passing score on Reading Comprehension assessment required. Orientation required.**

(●) NYS CNA Review Class (PCNAREV24F)

Nyack, BERC 12/4 – 12/6 M – W 5 – 9pm 12 hours \$245
 For NYS-certified nurse aides who would like to update their skills or prepare to retake the NYS Certified Nurse Aide examination. **Class size is limited to eight students. Tuition does not include the fee for the certification exam.**

(▲) Practical Nursing Entrance Exam Prep (PLPN24F)

Remote 11/9 – 2/28 T & Th 7 – 9:30pm 54 hours \$415
 This class is offered to help students obtain the minimum required scores on the Practical Nursing entrance exam and to strengthen their skills to be successful in the program. It covers math, reading, writing, critical thinking and test taking skills. Students are given the opportunity to take a practice test as part of the course. **Textbook purchase required before first day of class. Please call (845) 348-3500 for information.**

Ask about tuition assistance available up to \$10,000!

◆ **Practical Nursing** (LPNFT24-25)

This program is a 1,080-hour course in the biological, physical and behavioral sciences with correlated clinical learning experiences. Applicants must have a high school diploma (or equivalency) and either US citizenship or legal INS status. Consideration is given to entrance exam results, interview, education and work history. **Federal financial aid and tuition payment plans available to eligible students.**

Mandatory Online Video Conferencing Information Sessions begin February 8, 2024!

To reserve a seat, go to “Quick Links” at **rocklandboces.org** and click on “Practical Nursing.”

● **CULINARY ARTS**

◆ **Culinary Arts** (TCULINI1AM24F or TCULINI1PM24F)

437 hours \$8,676 (supplies and textbooks additional)

West Nyack, Bldg. 9 9/7 – 6/13 M – F 8 – 10:30am or 11:30am – 2:15pm

Students are introduced to all aspects of the restaurant industry while working in our fully-equipped commercial kitchen using professional equipment. **Passing score on Reading Comprehension assessment required. Orientation required. Tuition payment plan available.**

Cooking Demonstration Classes! Bring your appetite since there will be plenty of opportunity for tasting!

● **Move Over Summer-Fall Menus are here!** (PCKSUMMER24F)

West Nyack, Bldg. 9 10/3 T 6:30 – 9:30pm 3 hours \$90

Summer is over and the BBQs and summer favorites enter hibernation while the supermarkets transition into Fall/Winter food groups. Chef Anthony will show how to embrace this change with seasonal cuisine: soups and stews, NFL tailgating, and heartwarming meals. Let the coziness begin! This is a chef demo class. Skip dinner!

NEW

● **Cruise the Mediterranean** (PCKCRUISE24F)

West Nyack, Bldg. 9 10/17 T 6:30 – 9:30pm 3 hours \$90

Chef Anthony will take you on a dining cruise circumnavigating the Mediterranean. This class will cover the super foods, flavors and techniques that make this region's food healthy and delicious. Flavor and taste are NOT compromised when it comes to healthy eating in this cuisine. This is a chef demo class. See you on board!

NEW

● **Old School French Cuisine** (PCKFRENCH24F)

West Nyack, Bldg. 9 11/7 T 6:30 – 9:30pm 3 hours \$90

Chef Anthony is a trained, classical French chef. French culinary techniques practiced by Auguste Escoffier in the late 19th century set the foundation for the many cooking methods, techniques, and dishes we use today at home and in culinary schools around the world. This class will illustrate the fundamentals of French Cuisine and the delicious results it can create. This is a chef demo class. Bon appétit!

NEW

● **The American Cuisine Tour** (PCKAMERICAN24F)

West Nyack, Bldg. 9 1/16 T 6:30 – 9:30pm 3 hours \$90

Over the years Chef Anthony has taken your taste buds around the world, but now it's time to tour our own great nation! The lesson will start in New England and head down to our southern state lines. Then moving west, across our Tex-Mex regions and finishing in the Northwest quadrant of the country. This is a chef demo class with plenty of tasting. Your taste buds are in for a treat!

NEW

Ask about tuition assistance available up to \$10,000!

● INDUSTRIAL ARTS

(◆) Carpentry (TCARPAM24F OR TCARPPM24S)

437 hours \$8,676 (supplies additional)
 West Nyack, Bldg. 2 9/7 – 6/13 M – F 8 – 10:30am or 11:30am – 2:15pm
 Learn the technical skills necessary for new construction, renovation work and cabinetry work from the ground up. Gain hands-on experience in renovating and constructing buildings. **Passing score on Reading Comprehension assessment required. Orientation required. Tuition payment plan available.**

(◆) Building Trades (CARBLD24F)

110 hours \$2,350
 West Nyack, Bldg. 1 10/10 – 2/27 T & Th 3 – 6pm
 This project-based, hands-on class will teach students basic building maintenance and construction including carpentry, electrical and plumbing skills, blueprint reading, tile work, finish work and hand tools. Successful students will receive OSHA certification. Real world projects will take place in BOCES' shops. **A passing score on a reading assessment is required. Orientation required. Tuition payment plan available.**

(●) Home Maintenance For All (VHOM24F)

West Nyack, Bldg. 2 10/4 – 12/20 W 7 – 9:30pm 25 hours \$310
 This class will cover basic tools the homeowner should have as well as replacing switches and receptacles, dry wall repair, painting, basic plumbing and toilet repair, tiling, home safety and other topics relative to home repair and maintenance. Students can choose whether they would like to participate in the skills hands-on or to observe. Many topics of interest will be discussed, so even if a repair is not done by the homeowner, they will be familiar with the topic in order to discuss it with a contractor.

(◆) Electrical Trades (TELECAM24F)

437 hours \$8,676 (supplies additional)
 West Nyack, Bldg. 2 9/7 – 6/13 M – F 8 – 10:30am or 11:30am – 2:15pm
 Learn residential and commercial electricity, communication and data wiring. Work with wire switches, lights, receptacles and appliances. **Passing score on Reading Comprehension assessment required. Orientation required. Tuition payment plan available.**

(◆) Basic Electrical Construction (CARELEC24F)

150 hours \$3,829 (supplies included)
 West Nyack, Bldg. 2 10/2 – 1/30 M, T & Th 5 – 8:30pm
 Gain the knowledge and skills required for an entry-level position in the electrical field! Topics include: tool recognition and proper use, safety, introduction to the NEC, basic electrical theory, basic blue print reading, hands-on activities including circuitry, pipe-bending, installation of electrical devices and controls and proper wiring technique. Successful students will receive OSHA certification. **HSD or equivalent required. A passing score on a reading assessment is required. Orientation required. Tuition payment plan available.**

(●) Basic Electrical House Wiring (VELEC24F)

West Nyack, Bldg. 2 10/16 – 11/6 M, T & Th 5 – 8:30pm 35 hours \$450
 This popular course prepares the student for the basics of residential wiring: installation techniques, tools, electrical boxes, cables, switches and receptacles. Use actual materials and tools to set up and test typical circuits and apply theory and provisions of the National Electrical Code. **Class size is limited.**

(◆) Plumbing (TPLUMBPM24F)

437 hours \$8,676 (supplies additional)
 West Nyack, Bldg. 2 9/7 – 6/13 M – F 8 – 10:30am or 11:30am – 2:15pm
 Students learn to install, repair and maintain residential and commercial heating and cooling systems and learn to assemble, install and repair pipe fittings as related to kitchen appliances and bathroom fixtures. **Passing score on Reading Comprehension assessment required. Orientation required. Tuition payment plan available.**

● **Basic House Plumbing and Heating** (VPLUM24F)

West Nyack, Bldg. 2 10/10 – 11/2 T & Th 6 – 9pm 24 hours \$325

This hands-on course provides an overview of plumbing and heating systems in homes and then teaches students how to diagnose and repair common plumbing and heating problems.

● **Introduction to Welding** (VINTRWELD24F)

West Nyack, Bldg. 2 10/18 – 12/20 W 6 – 9pm 27 hours \$475

Learn to weld! This class will teach students to weld metals incorporating different joint designs using the Metal Inert Gas (MIG) welding process. Students will also learn to weld carbon steel material utilizing the Flux-Cored Arc Welding process. Instructor will cover different welding processes and the operation of power supplies. Students should bring a welding mask and gloves. The instructor will review these supplies on the first day of class.

● **MIG Welding** (VMIGWELD24F)

West Nyack, Bldg. 2 10/16 – 12/11 M 6 – 9pm 27 hours \$475

Metal Inert Gas (MIG) welding refers to a process of using a consumable wire electrode to heat and melt metals. This course will focus on MIG welding frequently used in automobile applications. Participants will learn about different types of welds and inspecting and testing welds for defects. This is a rigorous course requiring students to perform industry-standard welds using proper techniques. **Prerequisite: Basic Welding experience. Students should bring their own welding masks and gloves. Instructor will go over supplies on the first day of class.**

● **TIG Welding** (VTIGWELD24F)

West Nyack, Bldg. 5 10/12 – 12/14 Th 6 – 9pm 27 hours \$475

Tungsten Inert Gas (TIG) welding is the process of joining metals using a tungsten electrode. It can produce versatile, high-quality welds with aesthetically smooth surfaces. During this hands-on class, students will learn TIG welding techniques as well as safe use of welding equipment. **Students should bring their own welding masks and gloves. The teacher will go over supplies on the first day of class.**

● **General Welding** (CARWELD0124F)

200 hours \$6,050 (includes supplies, textbooks and equipment)

West Nyack, Bldg. 5 10/16 – 3/6 M, T & W 5 – 9pm

This comprehensive course introduces students to multiple welding processes such as shielded metal arc, gas metal arc (GMAW) and gas tungsten arc (GTAW), more commonly known as Stick, MIG and TIG welding. Topics also include oxy-acetylene welding, welding and shop safety, tools and equipment used in welding, proper welding techniques for different materials, positions and joints and reading fabrication drawings. **Successful students will earn OSHA 30 certification. Passing score on Reading Comprehension assessment required. Students need to wear steel-toed boots. Class size limited. Tuition payment plan available. Orientation required.**

● **AUTOMOTIVE TECHNOLOGY**

◆ **Automotive Collision Repair** (TAUTOCOLL1AM24F or TAUTOCOLL1PM24F)

437 hours \$8,676 (supplies additional)

West Nyack, Bldg. 2 9/7 – 6/13 M – F 8 – 10:30am or 11:30am – 2:15pm

This National Automotive Technicians Education Foundation/Automotive Service Excellence (ASE) program will provide the skills necessary for students to learn to repair, customize and detail vehicles as skilled automotive collision technicians. **Passing score on Reading Comprehension assessment required. Orientation required. Tuition payment plan available.**

◆ **Automotive Technology** (TAUTOTECAM24F or TAUTOTECPM24F)

437 hours \$8,676 (supplies and textbooks additional)

West Nyack, Bldg. 1 9/7 – 6/13 M – F 8 – 10:30am or 11:30am – 2:15pm

This National Automotive Technicians Education Foundation/Automotive Service Excellence (ASE) program will provide the skills necessary for students to troubleshoot and repair complex systems of today's high-tech automobiles. **Passing score on Reading Comprehension assessment required. Orientation required. Tuition payment plan available.**

(◆) Automotive Service Technician (CARAUTOTECH24F)

204 hours \$5,275
West Nyack, Bldg. 1 9/26 – 2/13 M – W 5 – 9pm

Part I: MLR (Maintenance and Light Repair): This first part of the course is designed to prepare students for entry-level positions at local dealerships and independent auto repair shops. Course will include the following: shop safety; using lifts and shop equipment; inspection; lubrication service; brake, exhaust, suspension and steering; electrical and cooling systems; and tune-ups.

Students, once approved, will also have access to manufacturer training with the Ford (Ford ACE program). Successful students will receive entry-level Automotive Service Excellence (ASE) certification in Maintenance and Light Repair as well as multiple industry certifications from Ford training courses.

Part II: During Part II, students will focus on Basic Automotive Electricity and Electronics—the design, operation, and diagnosis of starting, charging, ignition and lighting systems of the automobile. Students will demonstrate the ability to perform basic diagnostic checks with state-of-the-art test equipment using the digital multi-meter and computer scan tools. Students will receive entry-level ASE certification in Electrical/Electronics, certification in the use of the multi-meter and Ford training certifications. Students may register for Part II alone with applicable experience. Please speak with the admissions counselor about this option. **Passing score on Reading Comprehension assessment required. Orientation required. Tuition payment plan available.**

(●) Auto Mechanics I (VAUTO124F)

West Nyack, Bldg. 1 10/16 – 12/11 M 6 – 9pm 27 hours \$325

This introductory course will teach students the basic theory and operation of automotive gas engines including engine specifications, fluids, oil and coolants. Additional topics include shop safety, use of tools, transmission, drive, ignition and fuel systems and electrical and brake systems. Students will be taught how to service transmissions, perform basic tune-ups and brake replacement. **Textbook purchase required before first day of class. Please call (845) 348-3500 for information.**

(◆) Course I: CDL Permit Preparation (VCDLPMIT0124F)

West Nyack, Bldg. 3 10/16 – 11/1 M & W 6 – 8pm 12 hours \$125

(◆) Course I: CDL Permit Preparation (VCDLPMIT0224F)

West Nyack, Bldg. 3 10/17 – 11/2 T & Th 6 – 8pm 12 hours \$125

This course will prepare students to take the New York State Department of Motor Vehicles written exam necessary to obtain a Class B Commercial Driver's License with "P" and "S" endorsements on vehicles with air brakes.

(●) Course II: CDL BTW Driver Training (VCDLDRTR0124F)

West Nyack, Bldg. 5 9/23 – 11/2 S 8am – 12pm 48 hours \$2,325

(●) Course II: CDL BTW Driver Training (VCDLDRTR0224F)

West Nyack, Bldg. 5 10/3 – 11/16 T & Th 5 – 8pm 48 hours \$2,325

This program prepares students to pass the New York State Department of Motor Vehicles road test for a Class B Commercial Driver's License. This license allows the driver to operate school buses, small and large trucks and various other specialty vehicles. **Students must have a valid NY CDLB permit with "S", "P" and air brake endorsements and must pass a Department of Transportation (DOT) physical and drug screen before the first day of class.**

65 hours \$1,550 (includes application, fingerprinting and workshop fees)

Nyack, BERC 9/12 – 12/7 T & Th 6 – 9pm

Teacher Assistants provide extra support, attention and instruction to students in public or private schools, childcare centers or religious organization settings. This course guides students step by step through the certification process to become a Level 1 Teacher Assistant and prepares them to take the New York State teacher certification exam. **Passing score on Reading Comprehension assessment required. HSD or equivalent required. Tuition payment plan available. Orientation required.**

● **CAD For Beginners** (VCADB0124F)

Nyack, BERC 11/14 – 12/19 T 6 – 9pm 18 hours \$210

● **CAD For Beginners** (VCADB00224F)

Nyack, BERC 1/19 – 2/13 T 6 – 9pm 18 hours \$210

Imagine, design and shape the world around you with the powerful design tools in Auto CAD! This course is designed for the beginner interested in learning how to use a computer to create 3D designs for architecture, interior design, landscaping and much more!

● **Notary Public Workshop** (PNOTARY24F)

Nyack, BERC 11/1 W 6 – 10pm 4 hours \$85

This class will assist you in preparing for the written examination and appointment as a Notary Public in New York State. The topics will include principles of notarization, duties and functions, notarial acts, performing notarization and terminology review.

● **Computers For Beginners & Seniors** (COMSR0124F)

Nyack, BERC 9/23 – 10/28 S 9am – 12pm 15 hours \$189

● **Computers For Beginners & Seniors** (COMSR0224F)

Nyack, BERC 1/21 – 2/18 S 9am – 12pm 15 hours \$189

You can become computer-literate in this five-session class. Learn all of the computer basics, from hardware and software to Windows, at your own pace with lots of reinforcement and support. **Seniors pay discounted price of \$125. Proof of age required.**

● **Microsoft Excel** (COMEXCEL24F)

West Nyack, Bldg 3 10/18 – 12/13 W 6 – 8:45pm 22 hours \$255

Topics will include the creating, editing and formatting of worksheets. Students will learn to write formulas, filter and sort lists and to create and modify charts to illustrate their data. Emphasis will be given to enhancing the worksheet with fonts, borders, color and graphics. **Prerequisite: Windows experience.**

● **Introduction to Excel** (COMSINEX24F)

Nyack, BERC 12/2 S 9am – 3:30pm 6 hours \$94

Spend a day learning Excel! You will create a spreadsheet, learn how to work with formulas to do calculations and create charts to display data. **Windows and mouse experience required.**

● **Introduction to PowerPoint** (COMPORSAT24F)

Nyack, BERC 11/4 S 9am – 3:30pm 6 hours \$94

Impress them at your next business meeting! Have fun learning to create a PowerPoint presentation in just one day. Learn slide layout and enhancement, how to arrange your slides and more! **Prerequisite: Windows and mouse experience.**

● **Introduction to Microsoft Word** (COMWORSAT24F)

Nyack, BERC 11/18 S 9am – 3:30pm 6 hours \$94

Learn the basics of creating, saving, modifying, formatting, reviewing, printing and inserting tables and other graphics into your documents. **Prerequisite: Windows and mouse experience.**

● **Word, PowerPoint & Excel: Beyond the Basics** (COMWPE24F)

Nyack, BERC 12/9 S 9am – 3:30pm 6 hours \$94

This course shows why Microsoft PowerPoint, Word and Excel are essential office skills in today's workplace. Learn how to create documents by incorporating information into Word using PowerPoint and Excel! Participants will produce Slide Shows, Spreadsheets and Documents quickly and efficiently. Learn how these skills are essential for anyone seeking or maintaining employment in today's market. **Prerequisite: Must know how to use keyboard, mouse, personal computer and be familiar with Word, Excel and PowerPoint. New learners are welcome, but should be advised that this is a fast-paced course.**

Ask about tuition assistance available up to \$10,000!

NEW

● **Microsoft Teams** (COMTEAMS24F)

Nyack/BERC **10/7 - 10/28** **S** **12:30 - 3:30 pm** **9 hours** **\$135**
Learn to work in the new normal remote/ hybrid environment with Microsoft Teams. Learn how to instant message, video chat, and schedule meetings in Teams.

NEW

● **Introduction to JavaScript** (COMJAVA24F)

West Nyack, Bldg. 3 **10/2 - 12/18** **M** **6:30 - 9:30 pm** **30 hours** **\$325**
Javascript is a programming language that lets you add exciting interactivity to what otherwise might be a motionless web page. The course will introduce you to the basics of JavaScript code. Throughout the course, you'll get hands-on practice to give you the experience you need to understand variables, data types, expressions, functions, arrays, and built-in objects. You'll also get a basic introduction to animation, image rollovers, buttons and sound effects. Knowledge of CSS and HTML are helpful but not required. Class size limited.

● **SOMETHING FOR EVERYONE**

● **Conversational Spanish I** (PSPANI24F)

Nyack/BERC **11/8 - 12/13** **W** **6 - 9pm** **15 hours** **\$145**

● **Elder Law and Special Needs Planning** (PEDLAW23S)

Nyack, BERC **10/25** **W** **6:30 - 9:30pm** **3 hours** **\$45**
This course is designed for senior and special needs adults and those who are concerned with their welfare. Topics include: asset protection planning, Medicaid planning and gifting strategies including life estates and long-term care insurance. Special attention will be given to the differences in planning for a couple versus a single person. Learn what housing options are available and how to pay for them.

● **Estate Planning** (PESPLAN24F)

Nyack, BERC **10/18** **W** **6:30 - 9:30pm** **3 hours** **\$45**
This course will explain the different Estate Planning tools including: wills, living trusts, living wills, health care proxies, advanced medical directives, powers of attorney and when to use each. **Handouts provided.**

● **Introduction to Professional Voice Over** (PINVOICE0124F)

Nyack, BERC **11/7** **T** **6:30 - 9pm** **2.5 hours** **\$40**
This introductory class will explore the basics of voice acting for commercials, animation, books on tape, documentaries and more!

● **Retirement Planning Today** (PRETIRE0124F)

West Nyack, Bldg. 3 **9/28 & 10/5** **Th** **6:30 - 9:30pm** **6 hours** **\$59**

● **Retirement Planning Today** (PRETIRE0224F)

West Nyack, Bldg. 3 **10/3 & 10/10** **T** **6:30 - 9:30pm** **6 hours** **\$59**
This six-hour course is designed to help you see the "big picture" when planning for retirement so you can make informed financial decisions. The course will cover strategies that teach you how to build wealth and align your money with your values to accomplish your goals in life. Participation and questions are encouraged. **Workbook provided by your instructor becomes a useful reference tool after the work is complete. If space is available, Spouses may attend for free but must also be registered. Please call (845) 348-3500.**

NEW

● **Investing 101 for Women** (PINVEST0124F)

West Nyack, Bldg. 3 **10/10** **T** **6 - 7:30pm** **1.5 hours** **\$25**

● **Investing 101 for Women** (PINVEST0224F)

West Nyack, Bldg. 3 **2/6** **T** **6 - 7:30pm** **1.5 hours** **\$25**
We will start from the beginning... What is a stock? A bond? Mutual Fund? ETF? What are the fees and hidden expenses behind your investments? By the end of the course, you will better understand your investment personality and how to make investment decisions that will help you pursue your goals. Simply put, investing is a great way to grow your money and increase your wealth. We know investing can seem complex and intimidating but we will break down the fundamental principles into bite-sized pieces you can take home with you. (Men are welcome too!)

● WELLNESS

● **Beginner Pilates - Explore the Core!** (PBPILOT0124F)

West Nyack, Bldg. 9 9/19 – 11/7 T 4:30 – 5:30pm 8 hours \$120

Pilates is a method of exercise that consists of low-impact flexibility and muscular strength and endurance movements. This hour-long class will emphasize proper postural alignment, core strength and muscle balance to build strength in the “center” part of your body – your abdominals, buttocks, thighs, hips and arms. Work is done on a mat with lots of guidance and encouragement from a certified instructor. **Suitable for all ages. Bring a mat!**

● **Intermediate Pilates** (PIPILOT0124F)

West Nyack, Bldg. 9 9/19 – 11/7 T 5:45 – 6:45pm 8 hours \$120

For the intermediate-level Pilates individual, this program will expand on the Pilates mat work principles and exercises taught in the beginner-level program. The 12-week course will focus on working deep muscles with control, allowing for body redefinition, alignment, strength and core stabilization. **Suitable for all ages. Bring your own mat!**

● **Awaken and Restore Your Body and Mind** (PAWAKEN24F)

West Nyack, Bldg. 9 9/20 – 11/8 W 5:30 – 6:30pm 8 hours \$120

These classes will help to calm the mind and release tension by using gentle stretches of the body while exploring your inner wisdom through meditation. These gentle forms of Qigong and Pilates are designed to improve balance, posture and to lengthen muscle groups for a stronger body and relaxed mind. This class is designed for all levels. **Wear comfortable clothing, sneakers, and bring a mat. Come join us!**

● **Tai Chi** (PTAICHI24F)

Nyack, BERC 9/20 – 11/8 W 6:30 – 7:30pm 8 hours \$120

Tai Chi is an ancient Chinese art form that incorporates controlled body movements performed slowly, softly and gracefully with smooth and even transitions between moves. Many of these movements are originally derived from the natural movement of animals and birds. This gentle exercise form promotes health and vitality, while improving balance, coordination, circulation, flexibility and strength.

● **Yoga, Mindfulness and Meditation** (PYOGAMIND24F)

Nyack, BERC 9/21 – 11/30 M 7 – 8:15pm 10 hours \$135

A very current presentation of concepts of mindfulness, yoga asanas and meditation. Yoga asanas are a core of the class and allow students to strengthen and stretch their bodies. Students will learn about mindfulness and practice meditation. The class enables students to develop a well-rounded yoga practice. Taught by an experienced and certified yoga instructor. **Suitable for all levels of yoga experience.**

● **Yoga for EVERYBODY in Every Body!** (PYOGABODY24F)

Nyack/BERC 9/20 – 11/29 W 6 – 7:15pm 8.75 hours \$125

Each student is unique, and this class allows you to learn and practice yoga from your own place. Asanas learned will both strengthen and allow stretching in your body. Hatha and Iyengar styles will be taught. Chair Yoga/Yoga of the Heart will be presented. Excellent class for both beginners and experienced students. Taught by an experienced and certified yoga instructor.

● **Introduction to Karate** (PKARATE24F)

Nyack/BERC 10/4 – 12/6 W 7:30 – 8:30pm 8 hours \$120

Learn self-defense, develop self-discipline and respect, build good character and increase overall fitness while having fun! Excellent family activity. Class is appropriate for beginners but open to all levels. Minors must be accompanied by a parent. Instructor is a World Karate Federation certified coach, and international champion. **(\$35 uniform fee additional.)**

NEW

● **Total Body Conditioning** (PTOTAL24F)

Nyack/BERC 9/16 – 11/18 S 8:30 – 9:30 am 10 hours \$150

This intermediate total-body workout class will incorporate a variety of cardiovascular, muscular strength and endurance activities. Please bring a mat, a pair of light/medium dumbbells, a resistance band and water.

• Literacy
