Santa Paula Unified School District  
STUDENT ACCEPTABLE USE POLICY

Use of SPUSD technology is intended to support your academic success. You must read and agree to follow the network rules below to use your network account.

The Santa Paula Unified School District, hereinafter referred to as SPUSD, has a strong commitment to providing a quality educational curriculum for its students, including access to and experience with technology. SPUSD’s goals for technology in education include promoting educational excellence in schools by facilitating resource sharing, innovation, and communication; providing appropriate access to all students; supporting critical and creative thinking; fully integrating technology into the daily curriculum; promoting collaboration and entrepreneurship; and preparing students and educators to meet the challenge of a highly technological and information-rich society.

SPUSD recognizes that curricular technology can enhance student achievement. SPUSD provides a wide range of technological resources, including student Internet access for the purpose of advancing the educational mission of SPUSD.

Students waive any right to privacy or confidentiality to material that was accessed, created, sent or stored using SPUSD technology or a SPUSD provided network account.

SPUSD provides students with access to technology and the Internet. Through the Internet, students may have access to applications, databases, web sites, and email. Students are expected to use the technology and the Internet responsibly for school related purposes.

SPUSD is committed to meeting the provisions established in the Children’s Internet Protection Act (CIPA), which protects the safety and privacy of minors. Consequently, SPUSD uses appropriate filtering technology to monitor and screen access to the Internet, in an attempt to prevent online access to materials that are obscene, contain child pornography, or are harmful to minors. In compliance with California legislation, E-Rate1, and the Children’s Internet Protection Act, SPUSD addresses the appropriate and ethical use of information technology in the classroom so that students and teachers can distinguish lawful from unlawful uses of copyrighted works, including the following topics: the concept and purpose of both copyright and fair use; distinguishing lawful from unlawful downloading and peer-to-peer file sharing; and avoiding plagiarism. SPUSD provides for the education of minors about Internet safety, including appropriate online behavior that encompasses interacting with other individuals on social

networking sites and in chat rooms, cyberbullying awareness and response, and protect online privacy and avoid online predators.

Students will follow current legal regulations, and the rules set forth in this policy and the student disciplinary code. Board Policies and Administrative Regulations will govern all violations of this policy. For clarification of other related student policies and consequences including suspension or expulsion that may result from misuse, please refer to your student handbook and/or the SPUSD website.

As a condition of the right to use SPUSD technology resources, students understand and agree with the following:

**I will use technology resources responsibly:**
- I will use the Internet and other technology resources for academic activities.
- I will store only educationally appropriate materials.
- I will not use SPUSD technology for commercial purposes or to offer or provide products or services through SPUSD technology.
- I will not use technology resources to violate SPUSD policies, federal and/or state laws.
- I will not intentionally access and/or store inappropriate information, including, but not limited to the following: material that is obscene; child pornography; material that depicts, or describes in an offensive way, violence, nudity, sex, death, or bodily functions; material that has been designated as for adults only; material that promotes or advocates illegal activities; material that promotes the use of alcohol or tobacco, school cheating, or weapons; or material that advocates participation in hate groups or other potentially dangerous groups.
- I will not participate in unacceptable behaviors including but not limited to: personal attacks, harassment or bullying another person; creation and transmission of offensive, obscene, or indecent material; creation of defamatory material; plagiarism; infringement of copyright laws, including software, published texts, and student work; political advocacy and/or religious proselytizing; transmission of commercial and/or advertising material; and creation and transmission of material which a recipient might consider disparaging, harassing, and/or abusive based on race, ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, and/or political beliefs.

**I will use technology resources safely:**
- I will not share my password with anyone.
- I will not give out my name, picture, address, e-mail, or any other personally identifying information online.
- I will only access social networking and collaborative web sites, blogs, or post to Internet sites as it relates to educational purposes.

**I will use technology resources respectfully:**
- I will not deliberately attempt to harm or destroy data on any system on the network or Internet.
- I will not damage equipment or inappropriately alter settings.
- I will not inappropriately alter any other users' files.
